## ANNUAL REPORT ON OPERATIONS & ACCOMPLISHMENTS 2024

The Oneida County Sports Facility Authority hosted over 100 baseball games and related events during 2024.

The Authority added gutters to a clubhouse and had work done to repair some of the exterior mason deterioration during 2024. All the bleachers were pressure washed. Planned improvements for 2025 include an Oneida County Department of Public Works Project that includes installing synthetic turf and upgrading the field lights.

The Oneida County Sports Facility Authority is constantly looking to find new and creative events to sponsor in the future.
