ONEIDA COUNTY BOARD OF LEGISLATORS

RESOLUTION NO. 262

**INTRODUCED BY: Mdme. Pratt and Mr. Flisnik
2ND BY: Mr. Joseph**

**LOCAL LAW INTRO. "D" OF 2024
LOCAL LAW NO. __ OF 2024**

A LOCAL LAW PROVIDING FOR THE DISTRIBUTION OF SURPLUS FROM THE SALE OF TAX DELINQUENT PROPERTY

BE IT ENACED BY THE BOARD OF COUNTY LEGISLATORS OF THE COUNTY OF ONEIDA, STATE OF NEW YORK, AS FOLLOWS:

Section 1. Purpose and Intent. This local law is enacted pursuant to and in accordance with Part BB of the New York State 2024-2025 Budget, Senate Bill No. S.8305 and Assembly Bill No. A.8805, to provide a mechanism for former owners and other parties whose interests were extinguished by the foreclosure of a delinquent real property tax lien to claim a surplus in the manner provided by title 6 of article 11 of the Real Property Tax Law. This local law and the mechanisms set forth herein are in addition and supplemental to statute of the State of New York, being Chapter 559 of the Laws of 1902, as amended ("Oneida County Tax Act").

Section 2. Definitions.

In this local law:

"Charges" or "legal charges" means:

- (a) the cost of the mailing or service of notices required or authorized by this local law and/or the Oneida County Tax Act, NYS statute and/or applicable NYS or United States Supreme Court case law;
- (b) the cost of publication of notices required or authorized by this local law and/or the Oneida County Tax Act, NYS statute and/or applicable NYS or United States Supreme Court case law;
- (c) the amount of any interest, penalties and/or fees imposed by law;
- (d) the cost of recording or filing legal documents required or authorized by this local law and/or

the Oneida County Tax Act, NYS statute and/or applicable NYS or United States Supreme Court case law;

- (e) the cost of appraising a parcel for the purpose of determining the existence and amount of any surplus pursuant to Section 3 of this local law;
- (f) the cost of surveying a parcel for the purpose of determining the existence and amount of any surplus pursuant to Section 3 of this local law;
- (g) the reasonable and necessary cost of any search of the public record required or authorized to satisfy the notice requirements of this this local law and/or the Oneida County Tax Act, and other reasonable and necessary expenses incurred by the County of Oneida in connection with a proceeding to foreclose a tax lien, including but not limited to administrative, auction and reasonable attorney fees and/or costs associated with the foreclosure process; provided, that: (i) a charge of up to either two hundred fifty dollars (\$250.00) per parcel, or two percent (2%) of the sum of the taxes, interest and penalties due on the parcel, whichever is greater, shall be deemed reasonable and necessary to cover the combined costs of such searches and the other reasonable and necessary costs and expenses delineated in this paragraph, and such an amount may be charged without substantiation, even if salaried employees of the County of Oneida performed some or all of such services; and (ii) the County of Oneida may charge a greater amount with respect to one or more parcels upon demonstration to the satisfaction of the court having jurisdiction that such greater amount was reasonable and necessary; and
- (h) the amount owed to the County of Oneida by virtue of a judgment lien, a mortgage lien, or any other lien held by the County of Oneida that is not a delinquent tax lien.
- (i) Tax liens of one or more taxing districts in the county pursuant to intermunicipal agreement for the disposition of tax liens on tax foreclosed properties, as long as said items are submitted to the Commissioner of Finance in writing within thirty (30) days from the date after the Board of Legislators accepts the sale of tax-foreclosed property, or at the discretion of the Commissioner of Finance if time permits thereafter as conditioned by the time constraint outlined in Section 3 paragraph 1 listed below.
- (j) At the discretion of the Commissioner of Finance, outstanding municipal charges and/or liens (including but not limited to unpaid code violations) including municipal charges and/or liens from taxing districts under intermunicipal agreement for the disposition of tax liens on foreclosed properties, whether said municipal charges, and/or liens originate from law, ordinance, resolution or statute, and also including municipal charges, tax liens, and/or other liens from other taxing districts, whether said municipal charges, tax liens, and/or other liens originate from law, ordinance, resolution or statute; but only after items (a) through (i) as listed above are first covered in-full, and then, only if said municipal charges and/or liens are submitted to

the Commissioner of Finance for consideration in writing within thirty (30) days from the date after the Board of Legislators accepts the sale of tax-foreclosed property, or at the discretion of the Commissioner of Finance if time permits thereafter as conditioned by the time constraint outlined in Section 3 paragraph 1 listed below.

Charges shall be deemed a part of the delinquent tax for purposes of redemption and determination of surplus.

“Former homeowner” means a person or persons who lost title to and/or ownership of residential property due to a tax foreclosure.

“Public sale” means a sale resulting from a public auction conducted in accordance with the provisions of the Oneida County Tax Act and the Oneida County Board of Legislators.

“Surplus” means the net gain, if any, realized by the County of Oneida upon the sale of tax-foreclosed property, as determined herein. Where no such gain was realized, no surplus shall be attributable to that sale.

“Sale of Tax Foreclosed Property” for the purposes of this local law providing for the distribution of surplus shall mean: the date of acceptance of an offer or offers by the majority of the Board of Legislators at any regular or special session thereof.

Section 3. Determination of existence and amount of surplus.

1. (a) Within forty-five (45) days after the Board of Legislators accepts the sale of tax-foreclosed property, the Commissioner of Finance shall determine whether a surplus is attributable to such sale and if so, the amount thereof. Subject to the provisions of subdivision two of this Section 3, such determination shall be made by ascertaining the sum of the total amount of taxes due plus interest, penalties and other charges as defined by Section 2 of this local law, and subtracting such sum from whichever of the following is applicable:
 - (i) where the sale was a public sale, the amount to be so subtracted shall be the amount paid for the property;
 - (ii) where the sale was not a public sale, the amount to be so subtracted shall be either (A) the full value of the property as shown on the most recent tax roll, (B) if available, an appraisal prepared by a licensed New York state appraiser that establishes the full value of the property as of the date of the transfer of title, or (C) the full value of the property as of the date of the transfer of title as determined by such other valuation method as the Commissioner of Finance reasonably determines will result in just compensation to the former owner and other parties whose interests were extinguished by the foreclosure.
- (b) For purposes of this subdivision, where the Commissioner of Finance has been notified that the County of Oneida intends to retain tax-foreclosed property for a public use, the property shall be deemed to have been sold on the date that the Commissioner of

Finance was so notified, and the Commissioner of Finance shall determine the existence and amount of a surplus relative to such property in the manner provided by subparagraph (ii) of paragraph (a) of this subdivision.

2. Notwithstanding the provisions of subdivision one of this Section 3, when the County of Oneida has sold or conveyed tax-foreclosed property to a land bank, a housing development agency or another public entity, and such sale or conveyance was not the result of a public sale, or when the County of Oneida has determined to retain tax-foreclosed property for a public use, no surplus shall be payable if all of the following conditions are satisfied:
 - (a) prior to such sale, conveyance or determination, the property had been offered for sale at two (2) separate public auctions conducted at least three (3) months apart from one another;
 - (b) both auctions had been conducted in compliance with the provisions established by the Oneida County Commissioner of Finance and the Oneida County Board of Legislators;
 - (c) the minimum acceptable bid at each auction had been set at an amount no greater than the sum of the taxes due plus interest, penalties and other charges; and
 - (d) no qualifying bids were received for the property at either auction.
3.
 - (a) If the Commissioner of Finance determines that no surplus is attributable to the sale, the Commissioner of Finance shall submit a report to the court describing the circumstances of the sale, stating that no surplus was attributable to the sale and demonstrating how the Commissioner of Finance reached that conclusion.
 - (b) If the Commissioner of Finance determines that a surplus is attributable to the sale, the Commissioner of Finance shall submit a report to the court describing the circumstances of the sale, stating that a surplus was attributable to the sale, and demonstrating how the amount of the surplus was determined. Such surplus shall be paid to the court therewith. Within ten (10) business days of submitting such report, the Commissioner of Finance shall notify the former property owner that a surplus was attributable to the sale of such property, that such surplus has been paid into court, and that the court will notify the interested parties of the procedure to be followed in order to make a claim for a share of the surplus.
 - (c) Where the Commissioner of Finance's determination of surplus is based upon his/her estimate of the property's value, the Commissioner of Finance's report to the court shall set forth an explanation of how this estimate was made, including the evidence upon which it was based.
4. Upon approval by the court of the Commissioner of Finance's report, the County of Oneida shall have no further responsibilities in relation to the parcel or any surplus

attributable thereto, except to the extent the court directs otherwise pursuant to Section 4 of this local law.

Section 4. Claims for surplus.

1. Any person who had any right, title, interest, claim, lien or equity of redemption in or upon a parcel immediately prior to the sale of tax foreclosed property through the acceptance of offer by a majority of the Board of Legislators at any regular or special session thereof, may file a claim with the court having jurisdiction for a share of any surplus resulting from the sale of such property. Such claims shall be administered and adjudicated, and such surplus shall be distributed, in the same manner as in an action to foreclose a mortgage pursuant to article thirteen of the Real Property Actions and Proceedings Law, subject to the provisions of this Section 4.
2. (a) Where the property was sold by a public sale, the amount paid for the property shall be accepted as the full value of the property. No party may maintain a claim for surplus or any other claim or action against the County of Oneida on the basis that the amount paid for the property did not fairly represent the property's value.

(b) Where the property was sold by other than a public sale, a claimant may make a motion, upon written notice to the Commissioner of Finance, for the surplus to be recalculated on the basis that the property's full value on the date of the sale was substantially higher than the value used to measure the surplus pursuant to subparagraph (ii) of paragraph (a) of subdivision one of Section 3 of this local law. If the court or its referee finds that a preponderance of the evidence supports the claimant's position, the court may direct the Commissioner of Finance to recalculate the surplus based upon the property's value as determined by the court or referee. The court may further direct the Commissioner of Finance to pay the difference into court to be distributed as required by this Section 4.
3. Where the court has appointed a referee to preside over the proceedings pursuant to subdivision two of section thirteen hundred sixty-one of the Real Property Actions and Proceedings Law, it shall not be necessary for such referee to make a report of such proceedings; nor shall it be necessary for the court to confirm by order or otherwise such proceedings.
4. In the case of residential property, if at the time of the confirmation of the report of sale, no former homeowner has filed a claim for surplus, and there are surplus proceeds that remain to be distributed, the proceeding shall remain open for at least three (3) years from the confirmation of the report of sale, or for such longer period as the court may direct. If a former homeowner should file a claim for surplus during such period, the court shall proceed as if it had been timely filed.
5. At the conclusion of such proceedings, any surplus funds that have not been claimed shall be deemed abandoned but shall be paid to the County of Oneida, not to the state comptroller, and shall be used by the County of Oneida to reduce its tax levy.

6. To the extent the provisions of article thirteen of the Real Property Actions and Proceedings Law are inconsistent with the provisions of this local law, the provisions of this local law shall govern.

Section 5. Administration of Surplus in Connection with Tax Lien Sales.

The distribution of surplus from the sale of tax delinquent property by the Oneida County Board of Legislators shall be administered in the manner described in this local law.

Section 6. Effect on Prior Legislation.

The Oneida County Tax Act, Chapter 559 of the Laws of 1902, as amended, and any additional local law or resolution regarding the sale of tax delinquent property by Oneida County shall remain in full force and effect, as supplemented by the provisions contained herein.

Section 7. Partial Invalidity

If any section of this local law shall be held unconstitutional, invalid, or ineffective, in whole or in part, such determination shall not be deemed to affect, impair, or invalidate the remainder of this local law.

Section 8. Effective Date.

This local law shall take effect immediately and shall be filed consistent with the provisions of the New York State Municipal Home Rule Law.
