FN 20 14 - 286

Mr. Anthony J. Picente, Jr.
Oneida County Executive
800 Park Avenue
Utica, New York 13501

Dear Mr. Picente:

GOVERNMENT OPERATIONS

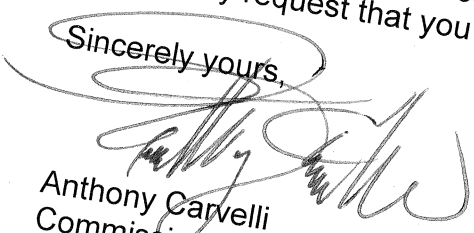

WAYS & MEANS

On Thursday, August 7, 2014, the Oneida County Finance Department received bids on various tax delinquent properties. Attached, please find a list of the highest offers received that evening. Initially we started with over 100 properties, and collection efforts have resulted in collecting over \$1,000,000 in delinquent taxes.

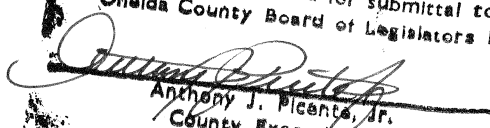

We would also like to personally thank the county maintenance staff, the Sheriff's Department for providing security, and County Legislator Les Porter who generously donates his time and talent as auctioneer.

We recommend full Board consideration of the attached bids for approval and respectfully request that you forward same at your earliest opportunity.

Sincerely yours,

Anthony Carvelli
Commissioner of Finance

Subject: Purchase Recommendation – Automon Caseload Explorer Case Management System

Dear Mr. Picente:

The Oneida County Probation Department currently utilizes a variety of separate databases and some paper processes to manage probationers for the County. Implementation of the Automon Caseload Explorer will improve operations, advance efficiency and increase the accuracy of case management in the Probation Department. Caseload Explorer is a comprehensive system that will provide Probation with improved reporting, collections management, accounting records and bank statement reconciliations.

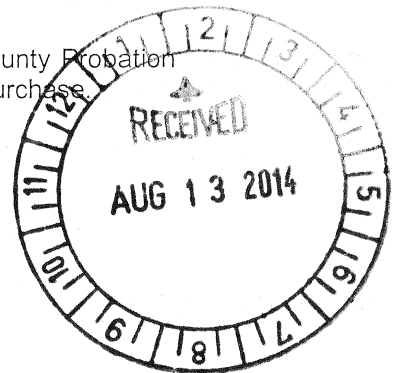

Caseload Explorer is proprietary software available exclusively from Automon, 10450 North 74th Street, Suite 210, Scottsdale, AZ 85258. The Caseload Explorer system is available through New York State Contract PT62796 and is the standard probation case management system recommended by the New York State Department of Criminal Justice Services (DCJS). Caseload Explorer is currently installed in 53 Counties in New York State.

Purchase cost of the Caseload Explorer system including software, documentation, installation, training and the first year of annual maintenance is \$84,550.43 via New York State Contract PT62796. This purchase will be made via the H501 Capital Account approved for 2014 entitled CS Caseload Explorer.

Installation of Caseload Explorer is expected to significantly improve Oneida County Probation Department operations. I therefore request Board of Legislators approval of this purchase.

Respectfully submitted,

Patrick Cady, Deputy Director Probation for
David Tomidy, Director Oneida County Probation Department
