Re: Special Patrol Officers

Dear Commissioner Talerico:

This letter is to request the creation of 20 part time Special Patrol Officer positions to be utilized in the School Safety Initiative at the Whitesboro School District.

The Whitesboro School District has the need for a more intensive and coordinated approach to creating a safe and secure setting for the educational process to take place and desires the Sheriff's Office to provide a uniform presence in all of their school buildings. Together we believe this will be a deterrent to criminal behavior on the school campus and will promote a greater sense of safety and security within the school environment.

I would like to thank you for your time and diligent attention to this matter in advance. If you have any questions, require clarification or seek additional information from me in order to help you make a decision regarding my request, please do not hesitate to contact me at any point in time.

Sincerely,

Robert M. Maciol
