GOVERNMENT OPERATIONS

WAYS & MEANS

Dear County Executive Picente:

Attached for your review is an agreement (Contract 178012) to renew an Information Technology Master Service Agreement (Contract 88132) (“Original Agreement”) for its first and second renewal terms. The Board of Legislators approved the Original Agreement pursuant to Resolution 2019-260. The Original Agreement was for a three-year term ending September 16, 2022, but authorized two annual renewals of one year each. The Department of Information Technology seeks to renew the Original Agreement for *both* renewal terms, through September 16, 2024, in order to avoid the need to come before the Board of Legislators again in a few months. No additional renewals are authorized.

The Original Agreement was with Integrated Strategic Systems, Inc. (“ISSI”), which had long partnered with JDE Computer Staffing, Inc. (“JDE”) to provide scanning services under the Original Agreement. This partnership was described in the County in ISSI’s response to the County’s request for proposals issued in 2019. Effective August 26, 2022, ISSI assigned the Original Agreement to JDE, an act requiring the written consent of the County pursuant to General Municipal Law Section 109 and Sections 10.5 and 10.16 of the Original Agreement. ISSI and JDE have documented the assignment and the Department has found JDE’s performance under the partnership to be adequate.

When the Board first approved the agreement in 2019, it anticipated that the contract would cost \$300,000 per year, which would result in a total cost over five years (three years of the initial term and two years of renewals) of \$1,500,000. However, the Information Technology Department anticipates that it will require \$500,000 for the year 2023 renewal and \$500,000 for the year 2024 renewal, for a combined total of \$1,000,000 for the two renewals. This means that the total cost of the agreement is \$1,900,000 (\$900,000 for the first three years plus \$1,000,000 for the renewal terms) rather than the \$1,500,000 initially anticipated.

The Board of Acquisition and Contract approved of these renewals at its meeting on April 5, 2023. If you find the enclosed renewal Agreement acceptable, please forward to the Board of Legislators for further consideration.

Respectfully submitted,

Chuck Klein
 Director of Information Technology

OF LEGISLATORS**

Name & Address of Vendor: JDE Computer Staffing, Inc.

Title of Activity or Service: Renewal of Information Technology Master Services Agreement

Proposed Dates of Operation: 9/16/2022 – 9/15/2024 (renewals terms)

Client Population/Number to be Served: Various Departments

Summary Statements

1) Narrative Description of Proposed Services: In 2019, the Board of Legislators approved an Information Technology Master Services Agreement with Integrated Strategic Systems, Inc. (“ISSI”) (County Contract Number 88132). The agreement involved scanning and shredding services and was for a three-year term (ending September 2022) with two optional renewal terms of one year each. In August 2022, ISSI assigned the agreement to its partner, JDE Computer Staffing, Inc., which had long performed the staffing component of the agreement. This amendment consents to the assignment and authorizes the renewal of the agreement for its first renewal term (September 16, 2022 through September 16, 2023) and its second renewal term (September 16, 2023 through September 16, 2024). The Department seeks approval to exercise *both* renewals now, in order to avoid the need to come before the Board again in a few months.

2) Program/Service Objectives and Outcomes: Provides scanning and shredding services.

3) Program Design and Staffing: N/A

Total Funding Requested: When the Board first approved the agreement in 2019, it anticipated that the contract would cost \$300,000 per year, which would result in a total cost over five years (three years of the initial term and two years of renewals) of \$1,500,000. However, the Information Technology Department anticipates that it will require \$500,000 for the year 2023 renewal and \$500,000 for the year 2024 renewal, for a combined total of \$1,000,000 for the two renewals. This means that the total cost of the agreement is \$1,900,000 (\$900,000 for the first three years plus \$1,000,000 for the renewal terms) rather than the \$1,500,000 initially anticipated.

(Original Agreement)

INFORMATION TECHNOLOGY MASTER SERVICES AGREEMENT

This Information Technology Master Services Agreement (the "Agreement") is by and between **INTEGRATED STRATEGIC SYSTEMS, INC.**, a domestic business corporation organized and existing under the laws of the State of New York, whose principal place of business is 6925 Todd Way, Liverpool, New York 13088, hereinafter called the "Vendor," and **ONEIDA COUNTY**, a municipal corporation existing and organized under the laws of the State of New York, whose principal place of business is 800 Park Avenue, Utica, New York 13501, hereinafter called the "County." This Agreement includes any current or future statement(s) of work (the "SOW") on the form attached hereto as Exhibit "A," and executed by each party, and all such documents are incorporated by this reference.

The Vendor provides information technology Professional Services, as hereinafter defined, related to the **Oneida County Onsite Scanning #2019-268**, hereto attached as Exhibit "B." The parties have agreed that the Vendor will provide such Professional Services as the parties may agree, now and pursuant to future SOWs. Therefore, in consideration for the commitments set forth below, the adequacy of which consideration the parties hereby acknowledge, the parties agree as follows.

1. PROFESSIONAL SERVICES.

1.1. Professional Services. The Vendor shall provide to the County the following services, as requested, and as provided for in the Vendor's Proposal, a copy of which is attached hereto as Exhibit "C." Any and all of these services shall hereinafter be referred to, collectively, as the "Professional Services."

(a) *Service Categories.* The services constituting Professional Services within the meaning of this Agreement shall include, but not be limited to, assessments, design, hardware and software (and provisioning of appropriate licensing), implementation, support, maintenance, providing complete documentation, including implementation of plans, testing and training in the categories of:

- (i) Scanning Services;
- (ii) Document Preparation;
- (iii) Document Organization;
- (iv) Document/Box Organization;
- (v) Supervisory element of other document preppers;
- (vi) Any other needed services.

(b) *Multiple Vendors.* The County reserves the right to utilize as many different vendors as it, in its sole discretion, determines to be necessary for the performance of any individual Professional Service. The Vendor hereby acknowledges that it is aware of this, and it understands and acknowledges that the County is not guaranteeing any minimum number of hours the Vendor will be utilized, nor is the County making any promises as to the exclusivity of the assignment of the Vendor to any Professional Service.

1.2. Provision of Professional Services. The Vendor will provide the services as set forth in each

SOW, and the County will provide any assistance and cooperation necessary or convenient to facilitate the Professional Services called for in any SOW. The process for submission and approval of an SOW is as follows:

- (a) *Negotiation.* The Vendor and the County shall negotiate the Professional Services to be completed by the Vendor, based upon the needs of the County.
- (b) *Quote & Proposed SOW.* Once the negotiations have been completed, the Vendor shall submit a detailed quote and proposed SOW to the County. The form of the proposed SOW shall conform to that of the aforementioned Exhibit "A," attached hereto. A sample quote has been attached to this Agreement as Exhibit "D." The quote and/or the proposed SOW shall include a detailed description of the materials to be used, the nature of the labor to be provided (along with the rates thereof), and a statement declaring what subcontractors the Vendor intends to utilize in the performance of the work covered by the proposed SOW. If the quote and proposed SOW are unacceptable to the County, for any reason, further negotiations may be conducted.
- (c) *Signed SOW & Purchase Order.* If the quote and proposed SOW are acceptable to the County, the County shall execute the SOW, and shall return a signed copy of the SOW to the Vendor along with a purchase order.
- (d) *Performance of Work.* Once the signed SOW and purchase order have been received, the Vendor shall begin to perform the Professional Services covered by the SOW. Under no circumstances is any work to be undertaken without a signed SOW. The Vendor agrees and hereby acknowledges that any expenditures or costs incurred by the Vendor prior to their receipt of a signed SOW are undertaken entirely at their sole risk and expense.
- (e) *Certificate of Completion.* At the completion of all the Professional Services called for in a signed SOW, the Vendor shall provide the County with a certificate of completion, signed by a representative of the Vendor. A sample of this certificate of completion is attached hereto as Exhibit "E." Once the County has ensured that the work covered by the SOW has been completed to its satisfaction, the County shall also sign the certificate of completion, returning a fully executed copy to the Vendor.

1.3. Deliverables.

- (a) *Acceptance & Rejection.* Any software or other deliverable created pursuant to any Professional Services (the "Deliverables") will be considered accepted (the "Acceptance") (a) when the County provides Vendor written notice of acceptance or (b) thirty (30) days after delivery, if the County has not first provided the Vendor with written notice of rejection. The County may reject a Deliverable only in the event that it materially deviates from its specifications and requirements listed in the applicable SOW and only via written notice setting forth the nature of such deviation. In the event of such rejection, the Vendor will correct the deviation and redeliver the Deliverable within twenty (20) days. After redelivery pursuant to the previous sentence, the parties will again follow the acceptance procedures set forth in this Subsection 1.3(a).

- (b) *License to Deliverables.* Effective upon Acceptance of each Deliverable, the Vendor grants the County a nonexclusive, fully paid, royalty-free license to reproduce, modify, and use such Deliverable as necessary for the County's internal business purposes, provided the County complies with the restrictions set forth below in Subsection 1.3(c).
- (c) *Restrictions on Deliverables Rights.* The County will not distribute, publicly display, publicly perform, or sublicense any Deliverables (including without limitation any derivative work thereof). The Vendor retains ownership of all Deliverables, and the County receives no right, title, or interest in or to Deliverables except as specifically set forth in Subsection 1.3(b) above.

2. FEES & REIMBURSEMENT.

- 2.1. Payment. The County will pay Vendor the fees as set forth in each SOW, and shall reimburse such expenses as Vendor reasonably incurs in provision of the Professional Services.
- 2.2. Vouchers. Such payment shall be made by the County after receipt of vouchers presented by the Vendor on forms prescribed by the County and after audit and approval by the County's Department of Audit and Control and the County's Comptroller.

3. CONFIDENTIAL INFORMATION. "Confidential Information" refers to the following items that one party to this Agreement (the "Discloser") discloses to the other (the "Recipient"):
(a) any document the Discloser marks "Confidential;" (b) any information the Discloser orally designates as "Confidential" at the time of disclosure, provided the Discloser confirms such designation in writing within ten (10) business days; and (c) any other nonpublic, sensitive information the Recipient should reasonably consider a trade secret or otherwise confidential. Notwithstanding the foregoing, Confidential Information does not include information that: (i) is in the Recipient's possession at the time of disclosure; (ii) is independently developed by the Recipient without use of or reference to Confidential Information; (iii) becomes known publicly, before or after disclosure, other than as a result of the Recipient's improper action or inaction; or (iv) is approved for release in writing by the Discloser. The Recipient is on notice that the Confidential Information may include the Discloser's valuable trade secrets.

- 3.1. Nondisclosure. The Recipient will not use Confidential Information for any purpose other than to facilitate the Professional Services (the "Purpose"). The Recipient: (a) will not disclose Confidential Information to any employee or contractor of the Recipient unless such person needs access in order to facilitate the Purpose and executes a nondisclosure agreement with the Recipient with terms no less restrictive than those of this Article 2.1; and (b) will not disclose Confidential Information to any other third party without the Discloser's prior written consent. Without limiting the generality of the foregoing, the Recipient will protect Confidential Information with the same degree of care it uses to protect its own confidential information of similar nature and importance, but with no less than reasonable care. The Recipient will promptly notify the Discloser of any misuse or misappropriation of Confidential Information that comes to the Recipient's attention. Notwithstanding the foregoing, the Recipient may disclose Confidential Information as required by applicable law or by proper legal or governmental authority. The Recipient will give the Discloser prompt notice of any such legal or governmental demand and reasonably

cooperate with the Discloser in any effort to seek a protective order or otherwise to contest such required disclosure, at the Discloser's expense.

- 3.2. Injunction. The Recipient agrees that breach of this Article 2.1 would cause the Discloser irreparable injury, for which monetary damages would not provide adequate compensation, and that in addition to any other remedy, the Discloser will be entitled to injunctive relief against such breach or threatened breach, without proving actual damage or posting a bond or other security.
- 3.3. Termination & Return. With respect to each item of Confidential Information, the obligations of Section 3.1 above (*Nondisclosure*) will terminate ten (10) years after the date of disclosure of the Confidential Information to the Recipient. Upon termination of this Agreement, the Recipient will return all copies of Confidential Information to the Discloser or certify, in writing, the destruction thereof.
- 3.4. Retention of Rights. This Agreement does not transfer ownership of Confidential Information or grant a license thereto. The Discloser will retain all right, title, and interest in and to all Confidential Information.
- 3.5. Exception & Immunity. Pursuant to the Defend Trade Secrets Act of 2016, 18 USC Section 1833(b), the Recipient is on notice and acknowledges that, notwithstanding the foregoing or any other provision of this Agreement:
 - (a) *Immunity*. An individual shall not be held criminally or civilly liable under any federal or state trade secret law for the disclosure of a trade secret that- (A) is made- (i) in confidence to a federal, state, or local government official, either directly or indirectly, or to an attorney; and (ii) solely for the purpose of reporting or investigating a suspected violation of law; or (B) is made in a complaint or other document filed in a lawsuit or other proceeding, if such filing is made under seal.
 - (b) *Use of Trade Secret Information in Anti-Retaliation Lawsuit*. An individual who files a lawsuit for retaliation by an employer for reporting a suspected violation of law may disclose the trade secret to the attorney of the individual and use the trade secret information in the court proceeding, if the individual- (A) files any document containing the trade secret under seal; and (B) does not disclose the trade secret, except pursuant to court order.

4. REPRESENTATIONS & WARRANTIES.

- 4.1. From Vendor. The Vendor represents and warrants: (a) that all Professional Services will be performed in a professional and workmanlike manner; and (b) that all Deliverables will conform to their specifications set forth in the applicable SOW for a period of three (3) years following Acceptance (as defined in Subsection 1.3(a) above). In the event of a breach of either warranty in this Section 4.1, the Vendor, at its own expense, will promptly re-perform the Professional Services or repair and redeliver the Deliverable in question.
- 4.2. From Each Party. Each party represents and warrants that it has the full right and authority to enter into, execute, and perform its obligations under this Agreement and that no pending or threatened claim or litigation known to it would have a material adverse impact on its

ability to perform as required by this Agreement.

- 4.3. Warranty Disclaimers. Except as set forth above in this Article 4, the Vendor PROVIDES NO REPRESENTATION OR WARRANTY OF ANY KIND, EXPRESS OR IMPLIED, INCLUDING WITHOUT LIMITATION IMPLIED WARRANTIES OF MERCHANTABILITY OR FITNESS FOR A PARTICULAR PURPOSE, OR ANY IMPLIED WARRANTY ARISING FROM STATUTE, COURSE OF DEALING, COURSE OF PERFORMANCE, OR USAGE OF TRADE. WITHOUT LIMITING THE GENERALITY OF THE FOREGOING: (a) VENDOR DOES NOT REPRESENT OR WARRANT THAT THE DELIVERABLES WILL PERFORM WITHOUT INTERRUPTION OR ERROR; AND (b) VENDOR DOES NOT REPRESENT OR WARRANT THAT THE DELIVERABLES WILL BE SECURE FROM HACKING OR OTHER UNAUTHORIZED INTRUSION OR THAT CUSTOMER DATA WILL REMAIN PRIVATE OR SECURE.

5. INDEMNIFICATION.

- 5.1. From Vendor. The Vendor will defend and indemnify the County and the County's Associates (as defined below in Section 5.3) against any "Indemnified Claim," meaning any third party claim, suit, or proceeding arising out of, related to, or alleging: (a) direct infringement of any patent, copyright, trade secret, or other intellectual property right by any Deliverable; or (b) injury to or death of any individual, or any loss of or damage to real or tangible personal property, caused by the act or omission of the Vendor or of any of its agents, subcontractors, or employees. The Vendor's obligations set forth in Subsection 5.1(a) above do not apply to the extent that an Indemnified Claim arises out of: (i) the County's breach of this Agreement; (ii) revisions to the Deliverable made without the Vendor's written consent; (iii) the County's failure to incorporate updates or upgrades that would have avoided the alleged infringement, provided Vendor offered such updates or upgrades without charges not otherwise required pursuant to this Agreement; (iv) the Vendor's design or modification of the Deliverable in compliance with specifications provided by the County, or (v) use of the Deliverable in combination with hardware or software not provided by the Vendor, unless (A) the SOW, or other documentation provided by the Vendor or agreed between the parties, (collectively, the "Documentation") refers to a combination with such hardware or software, without directing the user not to perform such a combination, or (B) such combination achieves functionality described in the Documentation (and the Documentation does not direct the user not to perform such combination). The Vendor's obligations set forth in Subsection 5.1(b) above do not apply to the extent that an Indemnified Claim arises out of the County's breach of this Agreement.
- 5.2. From County. The County will indemnify and defend the Vendor and the Vendor's Associates (as defined below in Section 5.3) against any "Indemnified Claim," meaning any third party claim, suit, or proceeding arising out of or related to injury to or death of any individual, or any loss of or damage to real or tangible personal property, caused by the act or omission of the County or of any of its agents, subcontractors, or employees. Indemnified Claims listed in Subsection 5.2 above include, without limitation: (i) claims by any of the County's employees, contractors, or other users (collectively, "Users"); and (ii) claims related to unauthorized disclosure or exposure of personally identifiable information

or other private information. Indemnified Claims listed above in Section 5.2 do not include any claim that would constitute an Indemnified Claim pursuant to Section 5.1(a) above.

- 5.3. Litigation & Additional Terms. The obligations of the indemnifying party (the "Indemnitor") pursuant to Section 5.1 or 5.2 above: (a) include retention and payment of attorneys and payment of court costs, as well as settlement at Indemnitor's expense and payment of judgments; and (b) will be excused to the extent that the other contracting party's ("Indemnified Party's") or any of such Indemnified Party's Associates' failure to provide prompt notice of the Indemnified Claim or reasonably to cooperate materially prejudices the defense. Indemnitor will control the defense of any Indemnified Claim, including appeals, negotiations, and any settlement or compromise thereof; provided Indemnified Party will have the right, not to be exercised unreasonably, to reject any settlement or compromise that requires that it admit wrongdoing or liability or subjects it to any ongoing affirmative obligations. (A party's "Associates" are its officers, directors, shareholders, parents, subsidiaries, agents, successors, and assigns.)

6. INSURANCE

- 6.1. The Vendor shall purchase and maintain insurance of the following types of coverage and limits of liability with an insurance carrier qualified and admitted to do business in the State of New York. The insurance carrier must have at least an A- (excellent) rating by A. M. Best.

Coverage for the additional insureds shall apply as primary and non-contributing insurance before any other insurance or self-insurance, including any deductible or self-insured retention, maintained by, or provided to, the additional insured(s).
- (b) Workers' Compensation and Employer's Liability: Statutory limits apply.
- (c) Professional Liability ("PL") coverage, including errors and omissions, with limits of insurance of not less than \$2,000,000 each occurrence and \$2,000,000 annual aggregate. (An umbrella or excess liability policy may be utilized to attain these PL limits).
- (i) The County and any other parties required by the County shall be included as additional insureds. PL coverage for the additional insureds shall apply as primary and non-contributing insurance before any other insurance or self-insurance, including any deductible or self-insured retention, maintained by or

provided to the additional insured(s).

- 6.2. **Waiver of Subrogation:** the Vendor waives all rights against the County and their agents, officers, directors and employees for recovery of damages to the extent these damages are covered by CGL, PL or Workers' Compensation and Employer's Liability insurance maintained per requirements stated above.
- 6.3. **Certificates of Insurance:** Prior to the start of any work, the Vendor shall provide certificates of insurance to the County. Attached to each certificate of insurance shall be a copy of the additional insured endorsement that is part of each of the Vendor's policies. These certificates and the insurance policies required above shall contain a provision that coverage afforded under the policies will not be canceled or allowed to expire until at least thirty (30) days prior written notice has been given to the County.

7. LIMITATION OF LIABILITY.

- 7.1. **Exclusion of Consequential Damages.** IN NO EVENT WILL VENDOR BE LIABLE TO CUSTOMER FOR ANY CONSEQUENTIAL, INDIRECT, SPECIAL, INCIDENTAL, OR PUNITIVE DAMAGES ARISING OUT OF OR RELATED TO THIS AGREEMENT.

8. TERM & TERMINATION.

- 8.1. **Term.** The term of this Agreement will commence on the date it is executed by both parties (the "Effective Date") and continue for an initial term of three (3) years. Up to two (2) renewal terms of one (1) year each will be considered upon the mutual written agreement of the parties.
- 8.2. **Termination for Cause.** Either party may terminate this Agreement for the other's material breach by written notice. Such notice will specify in detail the nature of the breach and will be effective in 30 days, or more if specified in the notice, unless the other party first cures the breach.
- 8.3. **Termination for Convenience.** The County may terminate this Agreement for convenience upon 30 days' advance written notice. On the date of such termination, County will pay Vendor for those services provided up to the date of such written termination.
- 8.4. **Survival.** The following provisions will survive termination or expiration of this Agreement: (a) any obligation of County to pay fees incurred before termination; (b) Articles and Sections 1.3(c) (*Restrictions on Deliverables Rights*), 3 (*Confidential Information*), 4.3 (*Warranty Disclaimers*), 5 (*Indemnification*), 6.3 (*Limitation of Liability*), and 10.1 (*Feedback*); and (c) any other provision of this Agreement that must survive to fulfill its essential purpose.

9. INDEPENDENT CONTRACTORS

- 9.1. It is expressly agreed that the relationship of the Vendor to the County shall be that of an independent contractor. None of the Vendor's officers, agents, directors or employees shall be considered employees of the County for any purpose, including, but not limited to, claims for unemployment insurance, workers' compensation, retirement, or health benefits. The Vendor, in accordance with the Vendor's status as an independent contractor, covenants and agrees that none of the Vendor's officers, agents, directors and employees will conduct themselves in accordance with such status, that they will neither hold themselves out as, nor claim to be, officers or employees of the County by reason thereof, and that they will not by reason thereof, make any claim, demand or application to or for any right or privilege applicable to an officer or employee of the County.
- 9.2. The Vendor warrants and represents it is in the business of offering the same or similar services detailed herein and does offer the same or similar service(s) to other entities and/or the general public as a regular course of business. The Vendor and the County agree that the Vendor is free to undertake other work arrangements during the term of this Agreement, and may continue to make its services available to the public.
- 9.3. None of the Vendor's officers, agents, directors or employees shall be eligible for compensation from the County due to illness, absence due to normal vacation, absence due to attendance at school or special training, or a professional convention or meeting.
- 9.4. The Vendor acknowledges and agrees that none of its officers, agents, directors or employees shall be eligible for any County employee benefits, including retirement membership credits.
- 9.5. The Vendor shall be paid pursuant to IRS Form 1099, and shall be solely responsible for applicable taxes for all compensation paid to the Vendor under this Agreement, and for compliance with all applicable labor and employment requirements with respect to the Vendor's form of business organization. With respect to the Vendor's officers, agents, directors and employees, this responsibility shall include payroll deductions, workers' compensation insurance, and provision of health insurance, where required. The County shall not be responsible for withholding from the payments provided for services rendered for state or federal income tax, unemployment insurance, workers' compensation, disability insurance or social security insurance (FICA). The Vendor shall provide proof of workers' compensation insurance, where applicable, prior to execution of this Agreement.
- 9.6. The Vendor will indemnify and hold the County harmless from all loss or liability incurred by the County as a result of the County not making such payments or withholdings.
- 9.7. If the Internal Revenue Service, Department of Labor, or any other governmental agency questions or challenges the Vendor's independent contractor status, it is agreed that both the County and the Vendor shall have the right to participate in any conference, discussion, or negotiations with the governmental agency, irrespective of with whom or by whom such discussions or negotiations are initiated.

b) Such liquidated damages shall be calculated as an amount equaling the difference between:

i. All sums identified for payment to MWBEs had the Contractor achieved the contractual MWBE goals, and

I. Equipment Inventory

Applicable equipment purchased with funds provided by this Contract as listed in Appendix B, shall be assigned a unique inventory number. The Contractor shall list all equipment purchased with such funds on the Equipment Inventory Form and attach it in the applicable state grants management system at the time the last program progress report is filed or sooner. Items of equipment costing less than \$500 do not need to be listed on the Equipment Inventory Form although the Contractor is encouraged to maintain an internal inventory for audit purposes. Upon completion of all contractual requirements by the Contractor, DCJS will permit continued use and possession of the equipment purchased with grant funds provided the equipment continues to be used in conducting a public safety program, unless otherwise notified by DCJS.

J. Accounting and Audits

1. Grant funds may be expended only for purposes and activities set forth in this Contract. Accordingly, the most important single requirement of accounting for this grant is the complete and accurate documentation of grant expenditures.

2. In addition to all other contract terms and conditions contained herein, performance-based Contractors must be able to document that they expended at least 90% of their program operating budget on program expenses specific to the contracted program. Any short-fall in documented expenditures below the 90% threshold will be subject to recoupment by DCJS.
3. If the Contractor receives funding from two or more sources, all necessary steps shall be taken to ensure that grant funds are not co-mingled with any other grantee funds, and that grant-related transactions are not commingled. This includes, but is not limited to, the establishment of unique budget codes, a separate cost center, or a separate chart of accounts.
4. Expenditures must be cross-referenced to supporting source documents (purchase orders, contracts, real estate leases, invoices, vouchers, timesheets, mileage logs, etc.).
5. Contractor agrees it shall maintain adequate internal controls and adhere to Generally Accepted Accounting Principles for Government or Generally Accepted Accounting Principles for Not-for-Profit Organizations.
6. This Contract may be subject to a fiscal audit by DCJS to ascertain financial compliance with Federal and/or State laws, regulations, and guidelines applicable to this Contract. Such audits may include review of the Contractor's accounting, financial, and reporting practices to determine compliance with the Contract and reporting requirements, maintenance of accurate and reliable original accounting records in accordance with governmental accounting standards as well as generally accepted accounting principles, and specific compliance with allowable cost and expenditure documentation standards prescribed by any applicable Federal, State, and DCJS guidelines.

K. Non-Compliance

DCJS reserves the right to suspend program funds if the Contractor is found to be in noncompliance with the provisions of this Contract or other grant contracts between the Contractor and DCJS or, if the Contractor or principals of the Contractor are under investigation by a New York State or local law enforcement agency for noncompliance with State or Federal laws or regulatory provisions or, if in DCJS' judgement, the services provided by the Contractor under the Contract are unsatisfactory or untimely. DCJS shall provide the Contractor with written notice of noncompliance. Upon the Contractor's failure to correct or comply with the written notice by DCJS, DCJS reserves the right to terminate this Contract, recoup funds and recover any assets purchased with the proceeds of this Contract. DCJS reserves the right to use approved grant related expenditures to offset disallowed expenditures from any grant funded through its offices upon issuance of a final audit report and appropriate notification to the Contractor, or upon reasonable assurance that the Contractor is not in compliance with the terms of the Contract.

L. Program Income

Program income is gross income earned by the Contractor that is directly generated by a supported activity or earned as a result of the grant award during the period of performance. Program income earned by the Contractor during the funding period as a direct result of the grant award shall be reported in writing to DCJS in a manner or format prescribed by DCJS, in addition to any other applicable reporting requirements. This includes income received from seized and forfeited assets, cash, the sale of grant purchased property, royalties, fees for services, and registration/tuition fees. Interest earned on grant funds is not program income unless specified in Appendix D. The Contractor shall report the receipt and expenditures of grant program income to DCJS. All income, including interest, generated using these grant funds shall be used to enhance the grant project.

M. Lapsing Appropriations

Unless otherwise specified, in accordance with the State Finance Law, the availability of all State funds for liabilities already incurred thereunder shall cease on September 15th of the year following the fiscal year in which the funds were appropriated, unless such funds are reappropriated by the New York State Legislature. To ensure payment, vouchers must be received by DCJS by August 1st of the year following the fiscal year in which the funds were appropriated.

N. Refunds

If at the end of this Contract there remains any unexpended balance of the monies advanced under this Contract in the possession of the Contractor, the Contractor shall submit a certified check or money order for the unexpended balance payable to the order of the **State of New York** and return it to the DCJS Office of Financial Services at the address in Section V(A)(2) of this Appendix with its final fiscal cost report by the last day of the month following the end of the Contract period.

O. Limit on Overtime Earnings

If Appendix B makes provisions for overtime payment, the Contractor shall limit overtime earnings to no more than 25 percent (25%) of the employee's annual personnel cost (salary plus fringe benefits) during the term of this Contract. Prior written approval from DCJS is required for overtime charges in excess of the 25 percent (25%) limit. A copy of DCJS' written approval shall be retained by the Contractor and submitted upon request.

P. Subawards/Subcontractor

None of the goals, objectives or tasks set forth in Appendix D shall be subawarded to another organization without specific prior written approval by DCJS. Where the intention to make subawards is clearly indicated in the application in the applicable grants management system, DCJS' approval is deemed given, if these activities are funded as proposed.

If this Contract makes provisions for the Contractor to subaward funds to other recipients, the Contractor agrees that all Subcontractors shall be held accountable by the Contractor for all terms and conditions set forth in this Contract. The Contractor further agrees that it shall assume sole and complete responsibility for fulfilling all the obligations set forth in the Contract and the Contractor shall guarantee the work of any Subcontractor.

The Contractor agrees that all Subcontractor agreements shall be formalized in writing between the parties involved, and shall include at a minimum:

* Time schedule,

* Project policies,

- * Other policies and procedures to be followed,
- * Dollar limitation of the agreement,
- * Appendix A-1, Appendix C, Certified Assurance for Federally Supported Projects, Certification Regarding Lobbying, Debarment and Suspension, and any special conditions set forth in Appendix D (Program Work Plan) of the Contract, and
- * Applicable Federal and/or State cost principles to be used in determining allowable costs.

The Contractor will not be reimbursed for subawarded funds unless all expenditures by a Subcontractor are listed on applicable forms. Backup documentation for such expenditures shall be made available upon request. All expenditures shall be programmatically consistent with the goals and objectives of this Contract and with the financial plan set forth in Appendix B.

Q. Work Product Ownership and Distribution/DCJS Logo

Any work products developed under this Contract by the Contractor shall be the exclusive property of DCJS and Contractor may not assert a copyright to any work products developed. Any work products shall not be disseminated by any means, in whole or in part, unless express written permission in advance is granted by the DCJS Deputy Commissioner of the Office of Program Development and Funding (OPDF) and Contractor adheres to any conditions or limitations with respect to usage. Where Contractor uses their pre-existing materials in connection with this Contract, DCJS may use any said materials, in whole or in part, with proper attribution to the Contractor.

No materials or presentations resulting from Contract activities nor any Contractor's website or social platform may use the DCJS logo in any form without the prior written approval from the Executive Deputy Commissioner of DCJS or his/her designee. Requests for such approval shall be submitted in writing to the DCJS Deputy Commissioner of the Office of Program Development and Funding (OPDF) and/or DCJS General Counsel at least thirty (30) calendar days before requested use. DCJS' determination of any requests shall be made on a case-by-case basis.

R. Delayed Implementation

Contractor agrees that if the project is not operational within 60 days of the original starting date of the grant period, it will report in writing to the DCJS Office of Program Development and Funding (OPDF) the steps taken to initiate the project, the reasons for delay, and the expected starting date. If the project is not operational within 90 days of the original starting date of the grant period, the Contractor will submit a second written report to OPDF explaining the delay. The State may either cancel the project and redistribute the funds or extend the implementation date of the project beyond the 90-day period when warranted by extenuating circumstances.

S. Changes at the Discretion of DCJS

This Contract may be extended, increased, decreased, terminated, renewed, amended or renegotiated at the discretion of the Division of Criminal Justice Services.

T. Non-Supplanting

The Contractor shall not deliberately reduce funds available for a stated purpose because of the availability of funds under this grant. Funds shall be used to supplement, not supplant, non-Federal funds that would otherwise be available for grant activities. Additionally, a grantee may not reduce State, local, or other non-Federal funds that have been allocated for such permissible activity because Federal funds are available (or expected to be available) to funds that same activity. State and Federal funds must be used to supplement existing State, local or other funds for program activities. Non-supplanting does not apply to grants made with State funds where DCJS receives a Legislative Initiative Form (LIF) from the State Legislature.

U. SAFETNet

The following special conditions apply to contracts with county or municipal governments as appropriate: Participating law enforcement agencies that are funded by DCJS to conduct drug, firearms or vehicle theft or vehicle related insurance fraud investigations shall register with SAFETNet. Nothing in the agreement shall affect or impair the Inspector General's jurisdiction under Article 4-A of the New York State Executive Law.

Contractor agrees to require as part of the agreement with a subcontractor that the subcontractor consent to and acknowledge the NYS Inspector General's jurisdiction to investigate allegations of serious negligence or misconduct regarding the subcontractor and to agree all of the subcontractor's staff are required to cooperate with the NYS Inspector General in any investigation of the subject of allegations that may substantially affect the integrity to forensic results committed by employees of the subcontractor. The contractor further agrees to require as a part of any agreement with a subcontractor that the subcontractor designate the Contractor as an agent to accept service for purposes of any investigation conducted by the Inspector General.

County Re-entry Task Force (CRTFs)

The Contractor agrees that, as part of DCJS' crime reduction strategy initiatives, each County Re-entry Task Force will develop a formal interactive relationship with other crime reduction strategies in their county.

The Contractor must work towards the development of a comprehensive array of reentry services within the county to ensure that the individual needs of all returning individuals can be appropriately addressed. The Contractor shall review all services proposed by subcontractors for compliance with evidence-based practices.

In addition to services designed to meet the basic needs of returning persons, the Contractor will ensure that the county's network of services include those that address criminogenic needs, have been evaluated for effectiveness in achieving their desired outcomes, and comport with evidence-based interventions for people who have offended. Examples include, but are not limited to, the provision of Thinking for a Change (T4C) and Offender Workforce Development Specialist (OWDS) Programming which may be evaluated as part of the Contract with the Contractor.

Crimes Against Revenue Program (CARP)

The Contractor, in cooperation with DCJS, the Department of Taxation and Finance (DTF) and/or any other state agencies where applicable, will publicize noteworthy prosecutions to promote deterrence.

The Contractor shall enter into a signed Memorandum of Understanding (MOU) with DTF and other agencies if appropriate, to set forth roles, responsibilities and coordination between the parties with respect to the investigation and prosecution of tax crimes and other fraud that can adversely affect governmental revenues.

Gun Involved Violence Elimination (GIVE) Initiative

The Contractor agrees that if funding is being provided for the implementation of any other DCJS crime reduction strategies within the same jurisdiction, the implementing agency will coordinate their GIVE strategy with those other initiatives.

Participating agencies receiving funding through the GIVE Initiative will be required to participate in a GIVE program evaluation. This may require agencies to provide DCJS or its contractors with data and information relating to jurisdictional GIVE operations, initiatives, and enforcement efforts.

The Contractor agrees to comply with all program requirements including those outlined within the GIVE guidance document.

Participating law enforcement agencies receiving GIVE funds shall enforce the provisions of Orders of Protection, particularly with respect to those provisions prohibiting the ownership or possession of firearms, when so ordered in family or criminal court and served upon the defendant and will enforce the firearms prohibition of the federal Violence Against Women Act.

Participating police departments will attend monthly meetings, at a minimum, with the SNUG program manager or his/her designee and regional crime analysts to discuss firearms related crime, gang activity, and violence. Meeting frequency may be increased at the discretion of DCJS based on shootings, homicides, and the incidence of violent crime within a jurisdiction.

Participating police departments will develop writing protocols detailing established procedures to notify the SNUG program manager or his/her designee of all shootings and/or homicides within 24 hours of each incident. The written procedures must be submitted to DCJS with the first Quarterly Progress Report.

Participating police departments will provide DCJS an annual report detailing a year to year comparison of shootings and homicides for the current GIVE Contract period and the two preceding GIVE Contract periods for the target area(s) and the entire city. This annual comprehensive report will be due on the last day of the month following the expiration date of the Contract.

Motor Vehicle Theft and Insurance Fraud (MVTIF) Program

The Contractor shall expend funds in a manner that is consistent with the MVT/MVIF Plans of Operation

New York State Defenders Association (NYSDA)

Any income, including interest, arising from state funds paid to the NYSDA shall be used to pay for the cost or expansion of tasks to be performed as part of the NYSDA's programs or projects, provided that all such income shall first be used to reimburse the NYSDA for monies expended from its general fund to support the Backup Center services.

Whenever possible, the NYSDA and its employees shall seek state rates for travel, meals, and lodging. Where such rates are not obtainable, NYSDA employees must provide three quotes demonstrating reasonableness of price for alternate travel, meals, and lodging, except when seeking lodging at the venue of a conference essential to the NYSDA program. In which case the NYSDA shall document the conference arrangements and rates for travel, meals, and lodging.

Upon DCJS request, the NYSDA will arrange for DCJS personnel to attend the NYSDA trainings and conferences offered for the purposes of program and contract monitoring. The parties of this Contract understand that nothing in this Contract shall be construed to preclude or impair the right of the NYSDA attorneys to act in the best interest of their clients. In providing access to records and submitting reports required pursuant to the provisions of this Contract, the NYSDA shall, in accordance with its professional responsibility under the New York Rules of Professional Conduct (see 22 NYCRR Pt. 1200), protect the confidences and secrets of its clients, including the clients of the attorneys to whom the NYSDA provided assistance or services. No record or report shall be deemed deficient because of the omission of information, the provision of which would result in the disclosure of any such confidences or secrets or would otherwise compromise the interest of any client.

In serving as the Public Defense Backup Center and a clearing house for information relating to the provision of public defense services, NYSDA will review, assess, and analyze the public defense system and advance the rights and interests of public defense clients and public defense attorneys.

APPENDIX C, PAYMENT AND REPORTING

III. Payment and Reporting Provisions

For All Grantees:

All requests for reimbursement must reflect actual costs that have been incurred for goods or services that were received by the Contractor during the contract period, or alternatively, the number of milestones achieved during the contract period for performance-based contracts. A purchase order issued without receipt of the items or services is not eligible for reimbursement. Goods or services ordered but not received during the contract period are not eligible for reimbursement. Additionally, the Contractor must have paid for the goods or services in order to be eligible for reimbursement.

A. Contractors must submit all required fiscal reports, supporting documentation and program progress reports as required under Section II. Failure to meet these requirements may result in rejection of the associated voucher, placement of a stop payment or withholding of funds. Final vouchers and required reports must be submitted by the last day of the month following the end of the grant contract period. Failure to voucher within this period may result in the loss of grant funds.

B. If an advance was approved and a contract renewal is permitted, this serves as notification to contractors that advances shall not be automatically renewed. If an advance in subsequent renewal periods is requested, supporting documentation in a manner prescribed by the State Agency is required. The State Agency at its sole discretion shall be determined if a subsequent advance is supported. Nothing in this agreement shall require any advance during subsequent renewal periods simply because an advance was approved in the initial or prior contract term.

C. Vouchers (Claims for Payment) shall be submitted in a format acceptable to the State Agency and the Office of the State Comptroller (see <http://www.criminaljustice.ny.gov/ofpa/applcngntfrms.html>). All required reports, such as Fiscal Cost Reports and Detailed Itemization Forms, must be prepared quarterly consistent with provisions in Appendix D. Prior period adjustments shall be reported in the same accounting period that the correction was made. **Requests for payments must be accompanied by adequate supporting documentation as determined by the State Agency.**

D. All submitted vouchers shall reflect the Contractor's actual disbursements and be accompanied by supporting detailed itemizations of personal service and non-personal service expenditures and other documentation as required - or by milestone achievements for performance-based contracts - and a fiscal cost report for the reporting period. Timely, properly completed and signed vouchers and fiscal cost reports, as well as detailed itemization forms with supporting documentation as required, shall be submitted to:

DCJSGrantsUnitVoucherSubmittal@DCJS.NY.Gov

The State Agency reserves the right not to release subsequent grant awards pending Contractor compliance with this Agreement. In the event that any expenditure for which the Contractor has been reimbursed by grant funds is subsequently disallowed, the State Agency in its sole discretion, may reduce the voucher payment by the amount disallowed.

E. For purposes of prompt payment provisions, the Designated Payment Office for the processing of all vouchers is the DCJS Office of Financial Services as described above. Payment of grant vouchers shall be made in accordance with the provisions of Article XI-A of the State Finance Law. The Contractor must notify the Office of Financial Services in writing of a change of address in order to benefit from the prompt payment provision of the State Finance Law. When progress reports are overdue or the required MWBE reporting is not included, vouchers will not be eligible for prompt payment interest.

2. Renewal Notice to Not-for-Profit Contractors:

a) Pursuant to State Finance Law §179-t, if the Contract is with a not-for-profit Contractor and provides for a renewal option, the State shall notify the Contractor of the State's intent to renew or not to renew the Contract no later than ninety (90) calendar days prior to the end of the term of the Contract, unless funding for the renewal is contingent upon enactment of an appropriation. Upon termination or reduction of the Contract, all remaining funds paid to the Contractor that are not subject to allowable costs already incurred by the Contractor shall be returned to the State Agency. In any event, no liability shall be incurred by the State (including the State Agency) beyond monies available for the purposes of the Contract. The Contractor acknowledges that any funds due to the State Agency or the State of New York because of disallowed expenditures after audit shall be the Contractor's responsibility.

For purposes of the Contract, 'Force majeure' shall include, but not be limited to, natural disasters, war, rebellion, insurrection, riot, strikes, lockout and any unforeseen circumstances and acts beyond the control of the State which render the performance of its obligations impossible.

2. Notice of Termination:

a) Service of notice: Written notice of termination shall be sent by:

- (i) personal messenger service, or
- (ii) certified mail, return receipt requested and first class mail.

b) Effective date of termination: The effective date of the termination shall be the later of (i) the date indicated in the notice and (ii) the date the notice is received by the Contractor, and shall be established as follows:

- (i) if the notice is delivered by hand, the date of receipt shall be established by the receipt given to the Contractor or by affidavit of the individual making such hand delivery attesting to the date of delivery, or
- (ii) if the notice is delivered by registered or certified mail, by the receipt returned from the United States Postal Service, or if no receipt is returned, five (5) business days from the date of mailing of the first class letter, postage prepaid, in a depository under the care and control of the United States Postal Service.

3. Effect of Notice and Termination on State's Payment Obligations:

a) Upon receipt of notice of termination, the Contractor agrees to cancel, prior to the effective date of any prospective termination, as many outstanding obligations as possible, and agrees not to incur any new obligations after receipt of the notice without approval by the State.

i. Actively and affirmatively solicit bids for contracts and subcontracts from qualified State certified MBEs or WBEs, including solicitations to M/WBE contractor associations.

ii. Request a list of State-certified M/WBEs from the Division of Minority and Women's Business Development and solicit bids from them directly.

iii. Ensure that plans, specifications, request for proposals and other documents used to secure bids will be made available in sufficient time for review by prospective M/WBEs.

iv. Where feasible, divide the work into smaller portions to enhance participation by M/WBEs and encourage the formation of joint ventures and other partnerships among M/WBE contractors to enhance their participation.

v. Document and maintain records of bid solicitation, including those to M/WBEs and the results thereof. Contractor will also maintain records of actions that its subcontractors have taken toward meeting M/WBE contract participation goals.

vi. Ensure that progress payments to M/WBEs are made on a timely basis so that financial hardship is avoided, and that bonding and other credit requirements are waived or appropriate alternatives developed to encourage M/WBE participation.

b) EEO

i. This organization will not discriminate against any employee or applicant for employment because of race, creed, color, national origin, sex, age, disability or marital status, will undertake or continue existing programs of affirmative action to ensure that minority group members are afforded equal employment opportunities without discrimination, and shall make and document its conscientious and active efforts to employ and utilize minority group members and women in its work force on state contracts.

ii. This organization shall state in all solicitation or advertisements for employees that in the performance of the State contract all qualified applicants will be afforded equal employment opportunities without discrimination because of race, creed, color, national origin, sex, disability or marital state.

iii. At the request of the contracting agency, this organization shall request each employment agency, labor union, or authorized representative will not discriminate on the basis of race, creed, color, national origin, sex, age, disability or marital status and that such union or representative will affirmatively cooperate in the implementation of this organization's obligations herein.

iv. Contractor shall comply with the provisions of the Human Rights Law, all other State and Federal statutory and constitutional non-discrimination provisions. Contractor and subcontractors shall not discriminate against any employee or applicant for employment because of race, creed (religion), color, sex, national origin, sexual orientation, military status, age, disability, predisposing genetic characteristic, marital status or domestic violence victim status, and shall also follow the requirements of the Human Rights Law with regard to non-discrimination on the basis of prior criminal conviction and prior arrest.

v. This organization will include the provisions of sections (i) through (iv) of this agreement in every subcontract in such a manner that the requirements of the subdivisions will be binding upon each subcontractor as to work in connection with the Contract.

Contractor agrees to comply with all MWBE and EEO contract goals reflected on the MWBE Utilization Plan and Staffing Plan respectively, that have been submitted with the application for this Contract.

I. Equipment Inventory

Applicable equipment purchased with funds provided by this Contract as listed in Appendix B, shall be assigned a unique inventory number. The Contractor shall list all equipment purchased with such funds on the Equipment Inventory Form and attach it in the applicable state grants management system at the time the last program progress report is filed or sooner. Items of equipment costing less than \$500 do not need to be listed on the Equipment Inventory Form although the Contractor is encouraged to maintain an internal inventory for audit purposes. Upon completion of all contractual requirements by the Contractor, DCJS will permit continued use and possession of the equipment purchased with grant funds provided the equipment continues to be used in conducting a public safety program, unless otherwise notified by DCJS.

J. Accounting and Audits

1. Grant funds may be expended only for purposes and activities set forth in this Contract. Accordingly, the most important single requirement of accounting for this grant is the complete and accurate documentation of grant expenditures.

2. In addition to all other contract terms and conditions contained herein, performance-based Contractors must be able to document that they expended at least 90% of their program operating budget on program expenses specific to the contracted program. Any short-fall in documented expenditures below the 90% threshold will be subject to recoupment by DCJS.
3. If the Contractor receives funding from two or more sources, all necessary steps shall be taken to ensure that grant funds are not co-mingled with any other grantee funds, and that grant-related transactions are not commingled. This includes, but is not limited to, the establishment of unique budget codes, a separate cost center, or a separate chart of accounts.
4. Expenditures must be cross-referenced to supporting source documents (purchase orders, contracts, real estate leases, invoices, vouchers, timesheets, mileage logs, etc.).
5. Contractor agrees it shall maintain adequate internal controls and adhere to Generally Accepted Accounting Principles for Government or Generally Accepted Accounting Principles for Not-for-Profit Organizations.
6. This Contract may be subject to a fiscal audit by DCJS to ascertain financial compliance with Federal and/or State laws, regulations, and guidelines applicable to this Contract. Such audits may include review of the Contractor's accounting, financial, and reporting practices to determine compliance with the Contract and reporting requirements, maintenance of accurate and reliable original accounting records in accordance with governmental accounting standards as well as generally accepted accounting principles, and specific compliance with allowable cost and expenditure documentation standards prescribed by any applicable Federal, State, and DCJS guidelines.

K. Non-Compliance

DCJS reserves the right to suspend program funds if the Contractor is found to be in noncompliance with the provisions of this Contract or other grant contracts between the Contractor and DCJS or, if the Contractor or principals of the Contractor are under investigation by a New York State or local law enforcement agency for noncompliance with State or Federal laws or regulatory provisions or, if in DCJS' judgement, the services provided by the Contractor under the Contract are unsatisfactory or untimely. DCJS shall provide the Contractor with written notice of noncompliance. Upon the Contractor's failure to correct or comply with the written notice by DCJS, DCJS reserves the right to terminate this Contract, recoup funds and recover any assets purchased with the proceeds of this Contract. DCJS reserves the right to use approved grant related expenditures to offset disallowed expenditures from any grant funded through its offices upon issuance of a final audit report and appropriate notification to the Contractor, or upon reasonable assurance that the Contractor is not in compliance with the terms of the Contract.

L. Program Income

Program income is gross income earned by the Contractor that is directly generated by a supported activity or earned as a result of the grant award during the period of performance. Program income earned by the Contractor during the funding period as a direct result of the grant award shall be reported in writing to DCJS in a manner or format prescribed by DCJS, in addition to any other applicable reporting requirements. This includes income received from seized and forfeited assets, cash, the sale of grant purchased property, royalties, fees for services, and registration/tuition fees. Interest earned on grant funds is not program income unless specified in Appendix D. The Contractor shall report the receipt and expenditures of grant program income to DCJS. All income, including interest, generated using these grant funds shall be used to enhance the grant project.

M. Lapsing Appropriations

Unless otherwise specified, in accordance with the State Finance Law, the availability of all State funds for liabilities already incurred thereunder shall cease on September 15th of the year following the fiscal year in which the funds were appropriated, unless such funds are reappropriated by the New York State Legislature. To ensure payment, vouchers must be received by DCJS by August 1st of the year following the fiscal year in which the funds were appropriated.

N. Refunds

If at the end of this Contract there remains any unexpended balance of the monies advanced under this Contract in the possession of the Contractor, the Contractor shall submit a certified check or money order for the unexpended balance payable to the order of the **State of New York** and return it to the DCJS Office of Financial Services at the address in Section V(A)(2) of this Appendix with its final fiscal cost report by the last day of the month following the end of the Contract period.

O. Limit on Overtime Earnings

If Appendix B makes provisions for overtime payment, the Contractor shall limit overtime earnings to no more than 25 percent (25%) of the employee's annual personnel cost (salary plus fringe benefits) during the term of this Contract. Prior written approval from DCJS is required for overtime charges in excess of the 25 percent (25%) limit. A copy of DCJS' written approval shall be retained by the Contractor and submitted upon request.

P. Subawards/Subcontractor

None of the goals, objectives or tasks set forth in Appendix D shall be subawarded to another organization without specific prior written approval by DCJS. Where the intention to make subawards is clearly indicated in the application in the applicable grants management system, DCJS' approval is deemed given, if these activities are funded as proposed.

If this Contract makes provisions for the Contractor to subaward funds to other recipients, the Contractor agrees that all Subcontractors shall be held accountable by the Contractor for all terms and conditions set forth in this Contract. The Contractor further agrees that it shall assume sole and complete responsibility for fulfilling all the obligations set forth in the Contract and the Contractor shall guarantee the work of any Subcontractor.

The Contractor agrees that all Subcontractor agreements shall be formalized in writing between the parties involved, and shall include at a minimum:

* Activities to be performed,

* Time schedule,

* Project policies,

* Other policies and procedures to be followed,

* Dollar limitation of the agreement,

* Appendix A-1, Appendix C, Certified Assurance for Federally Supported Projects, Certification Regarding Lobbying, Debarment and Suspension, and any special conditions set forth in Appendix D (Program Work Plan) of the Contract, and

* Applicable Federal and/or State cost principles to be used in determining allowable costs.

The Contractor will not be reimbursed for subawarded funds unless all expenditures by a Subcontractor are listed on applicable forms. Backup documentation for such expenditures shall be made available upon request. All expenditures shall be programmatically consistent with the goals and objectives of this Contract and with the financial plan set forth in Appendix B.

Q. Work Product Ownership and Distribution/DCJS Logo

Any work products developed under this Contract by the Contractor shall be the exclusive property of DCJS and Contractor may not assert a copyright to any work products developed. Any work products shall not be disseminated by any means, in whole or in part, unless express written permission in advance is granted by the DCJS Deputy Commissioner of the Office of Program Development and Funding (OPDF) and Contractor adheres to any conditions or limitations with respect to usage. Where Contractor uses their pre-existing materials in connection with this Contract, DCJS may use any said materials, in whole or in part, with proper attribution to the Contractor.

No materials or presentations resulting from Contract activities nor any Contractor's website or social platform may use the DCJS logo in any form without the prior written approval from the Executive Deputy Commissioner of DCJS or his/her designee. Requests for such approval shall be submitted in writing to the DCJS Deputy Commissioner of the Office of Program Development and Funding (OPDF) and/or DCJS General Counsel at least thirty (30) calendar days before requested use. DCJS' determination of any requests shall be made on a case-by-case basis.

R. Delayed Implementation

Contractor agrees that if the project is not operational within 60 days of the original starting date of the grant period, it will report in writing to the DCJS Office of Program Development and Funding (OPDF) the steps taken to initiate the project, the reasons for delay, and the expected starting date. If the project is not operational within 90 days of the original starting date of the grant period, the Contractor will submit a second written report to OPDF explaining the delay. The State may either cancel the project and redistribute the funds or extend the implementation date of the project beyond the 90-day period when warranted by extenuating circumstances.

S. Changes at the Discretion of DCJS

This Contract may be extended, increased, decreased, terminated, renewed, amended or renegotiated at the discretion of the Division of Criminal Justice Services.

T. Non-Supplanting

The Contractor shall not deliberately reduce funds available for a stated purpose because of the availability of funds under this grant. Funds shall be used to supplement, not supplant, non-Federal funds that would otherwise be available for grant activities. Additionally, a grantee may not reduce State, local, or other non-Federal funds that have been allocated for such permissible activity because Federal funds are available (or expected to be available) to funds that same activity. State and Federal funds must be used to supplement existing State, local or other funds for program activities. Non-supplanting does not apply to grants made with State funds where DCJS receives a Legislative Initiative Form (LIF) from the State Legislature.

U. SAFETNet

The following special conditions apply to contracts with county or municipal governments as appropriate: Participating law enforcement agencies that are funded by DCJS to conduct drug, firearms or vehicle theft or vehicle related insurance fraud investigations shall register with SAFETNet. Participation in SAFETNet obligates the registered county or municipal government agency to submit information regarding persons or addresses under active investigation in accordance with SAFETNet standard operating procedures. In addition, the county or municipal government agency agrees to participate in the Upstate New York State Intelligence Center (UNYSIC) or the New York/New Jersey High Intensity Drug Trafficking Area Regional Intelligence Center (NY/NJ HIDTA RIC) as appropriate.

V. Compliance with New York State Policies and Standards

Contractor shall enroll as applicable in the DCJSContact Directory established and administered by the Division of Criminal Justice Services. DCJSContact is a free-of-charge statewide email directory used to alert the law enforcement community to the availability of free law enforcement training courses and materials, legal updates, and officer safety bulletins, among others. Information regarding enrollment in the DCJSContact Directory can be obtained by accessing the enrollment form at <http://www.surveygizmo.com/s3/3351854/DCJS-Contact-Enrollment-Form>.

Y. Incident-Based Reporting (IBR)/UCR Data Entry Interface

Incident-Based Reporting (IBR) agencies are required to use the IJPortal IBR Submission interface to upload their monthly NYSIBR extract file, and the IJPortal UCR Data Entry Interface to submit their monthly Hate Crime and Law Enforcement Officers Killed or Assaulted (LEOKA) reports.

Summary (UCR) reporting agencies are required to use the IJPortal UCR Data Entry Interface to submit all monthly UCR reports including the Return A (Monthly Offenses known to Police), Arrests of Persons 18 and Over, Arrests of Persons Under 18, Supplemental Homicide Report (SHR), Arson, Hate Crime, and the Law Enforcement Officers Killed or Assaulted (LEOKA).

Law enforcement agencies are required to submit all monthly crime reports to DCJS through the Integrated Justice Portal (IJPortal) IBR/UCR Reporting Interface within 30 calendar days after the close of the reporting period. Failure to submit this information may result in grant funds being withheld.

Instructions for accessing and submitting crime reports through the IJPortal can be found at:
http://www.criminaljustice.ny.gov/crimenet/ojsa/crimereporting-ucr_refman/IJPortal-UCR-Data-Entry-Manual.pdf.

All law enforcement agencies shall stay current with their monthly submissions. When the police department is unable to submit the data within 30 days, the Chief shall submit the reasoning to DCJS, while ensuring the data is submitted as soon as possible. If it is deemed that the reasoning for the late submission was out of the control of the police department, a waiver will be granted to avoid the fiscal penalty.

Law enforcement agencies shall submit full UCR Part 1 crime reports, including supplemental homicide reports, to DCJS by 30 days following the end of the month. These monthly reports may be submitted either under the Uniform Crime Reporting System (UCR) or under the Incident Based Reporting System (IBR). Quick Reports will not be accepted. Failure to submit this information may result in grant funds being withheld.

UCR agencies shall fill out the Domestic Violence Victim Data table found on the last page of the Return A in accordance with the new domestic violence reporting requirements. These requirements can be found online at: http://www.criminaljustice.ny.gov/crimnet/ojsa/crimereporting/domestic_violence_reporting_alert_5-08-08.pdf.

Failure to submit this information may result in grant funds being withheld. Agencies reporting through IBR do not submit a supplemental report for domestic violence. The required data is automatically collected through the monthly submission of an IBR file.

Z. Publications

The Contractor will submit to DCJS for review all proposed publications (written, visual or audio) prior to their public release. Any such publications shall contain the following statement: 'This project is supported by a grant from the New York State Division of Criminal Justice Services. Points of view in this document are those of the author and do not necessarily represent the official position or policies of the Division of Criminal Justice Services.'

AA. Sexual Harassment Prevention Policy Certification

As of January 1, 2019, bidders on procurements subject to competitive bidding in New York State are required to submit a certification with every bid that states they have a policy addressing sexual harassment prevention and that they provide sexual harassment training to all employees on an annual basis.

Pursuant to State Finance Law §139-I, bidders responding to a competitively bid Request for Proposal (RFP) must certify that by submission of their bid, each bidder and each person signing on behalf of any bidder certifies, and in the case of a joint bid each party thereto certifies its own organization, under penalty of perjury, that the bidder has implemented a written policy addressing sexual harassment prevention in the workplace and provides annual sexual harassment prevention training to all of its employees. Such policy shall, at a minimum, meet the requirements of section two hundred one-g of the labor law.

Bidders that do not certify will not be considered for award, provided however, that if the bidder cannot make the certification, the bidder provides a signed statement with their bid detailing the reasons why the certification cannot be made.

In addition, requiring this certification for competitively bid RFPs, DCJS has included this requirement for all grantees receiving funds from DCJS. Grantees must provide certification that they have implemented a written policy addressing sexual harassment prevention in the workplace and that they provide annual sexual harassment prevention training to all of its employees.

The certification form described above is available at <https://www.criminaljustice.ny.gov/ofpa/applcngntfrms.html> and is required from grantees as part of the submission in the applicable state grants management system.

VI. PROGRAM SPECIFIC TERMS AND CONDITIONS:

The following terms and conditions apply only to the Contractors receiving funds under the identified program:

Aid to Crime Labs Program

The Contractor consents to and acknowledges the New York State Inspector General's jurisdiction to investigate allegations of serious negligence or misconduct regarding its Forensic Laboratory, and agrees that the Laboratory and its staff are required to cooperate with the New York State Inspector General in its investigation of what it deems to be allegations of serious negligence or misconduct substantially affecting the integrity of the forensic results committed by employees or subcontractors of the Laboratory. Nothing in the agreement shall affect or impair the Inspector General's jurisdiction under Article 4-A of the New York State Executive Law.

Contractor agrees to require as part of the agreement with a subcontractor that the subcontractor consent to and acknowledge the NYS Inspector General's jurisdiction to investigate allegations of serious negligence or misconduct regarding the subcontractor and to agree all of the subcontractor's staff are required to cooperate with the NYS Inspector General in any investigation of the subject of allegations that may substantially affect the integrity of forensic results committed by employees of the subcontractor. The contractor further agrees to require as a part of any agreement with a subcontractor that the subcontractor designate the Contractor as an agent to accept service for purposes of any investigation conducted by the Inspector General.

County Re-entry Task Force (CRTFs)

The Contractor agrees that, as part of DCJS' crime reduction strategy initiatives, each County Re-entry Task Force will develop a formal interactive relationship with other crime reduction strategies in their county.

The Contractor must work towards the development of a comprehensive array of reentry services within the county to ensure that the individual needs of all returning individuals can be appropriately addressed. The Contractor shall review all services proposed by subcontractors for compliance with evidence-based practices.

In addition to services designed to meet the basic needs of returning persons, the Contractor will ensure that the county's network of services include those that address criminogenic needs, have been evaluated for effectiveness in achieving their desired outcomes, and comport with evidence-based interventions for people who have offended. Examples include, but are not limited to, the provision of Thinking for a Change (T4C) and Offender Workforce Development Specialist (OWDS) Programming which may be evaluated as part of the Contract with the Contractor.

Crimes Against Revenue Program (CARP)

The Contractor, in cooperation with DCJS, the Department of Taxation and Finance (DTF) and/or any other state agencies where applicable, will publicize noteworthy prosecutions to promote deterrence.

The Contractor shall enter into a signed Memorandum of Understanding (MOU) with DTF and other agencies if appropriate, to set forth roles, responsibilities and coordination between the parties with respect to the investigation and prosecution of tax crimes and other fraud that can adversely affect governmental revenues.

Gun Involved Violence Elimination (GIVE) Initiative

The Contractor agrees that if funding is being provided for the implementation of any other DCJS crime reduction strategies within the same jurisdiction, the implementing agency will coordinate their GIVE strategy with those other initiatives.

Participating agencies receiving funding through the GIVE Initiative will be required to participate in a GIVE program evaluation. This may require agencies to provide DCJS or its contractors with data and information relating to jurisdictional GIVE operations, initiatives, and enforcement efforts.

The Contractor agrees to comply with all program requirements including those outlined within the GIVE guidance document.

Participating law enforcement agencies receiving GIVE funds shall enforce the provisions of Orders of Protection, particularly with respect to those provisions prohibiting the ownership or possession of firearms, when so ordered in family or criminal court and served upon the defendant and will enforce the firearms prohibition of the federal Violence Against Women Act.

Participating police departments will attend monthly meetings, at a minimum, with the SNUG program manager or his/her designee and regional crime analysts to discuss firearms related crime, gang activity, and violence. Meeting frequency may be increased at the discretion of DCJS based on shootings, homicides, and the incidence of violent crime within a jurisdiction.

Participating police departments will develop writing protocols detailing established procedures to notify the SNUG program manager or his/her designee of all shootings and/or homicides within 24 hours of each incident. The written procedures must be submitted to DCJS with the first Quarterly Progress Report.

Participating police departments will provide DCJS an annual report detailing a year to year comparison of shootings and homicides for the current GIVE Contract period and the two preceding GIVE Contract periods for the target area(s) and the entire city. This annual comprehensive report will be due on the last day of the month following the expiration date of the Contract.

Motor Vehicle Theft and Insurance Fraud (MVTIF) Program

The Contractor shall expend funds in a manner that is consistent with the MVT/MVIF Plans of Operation

New York State Defenders Association (NYSDA)

Any income, including interest, arising from state funds paid to the NYSDA shall be used to pay for the cost or expansion of tasks to be performed as part of the NYSDA's programs or projects, provided that all such income shall first be used to reimburse the NYSDA for monies expended from its general fund to support the Backup Center services.

Whenever possible, the NYSDA and its employees shall seek state rates for travel, meals, and lodging. Where such rates are not obtainable, NYSDA employees must provide three quotes demonstrating reasonableness of price for alternate travel, meals, and lodging, except when seeking lodging at the venue of a conference essential to the NYSDA program. In which case the NYSDA shall document the conference arrangements and rates for travel, meals, and lodging.

Upon DCJS request, the NYSDA will arrange for DCJS personnel to attend the NYSDA trainings and conferences offered for the purposes of program and contract monitoring. The parties of this Contract understand that nothing in this Contract shall be construed to preclude or impair the right of the NYSDA attorneys to act in the best interest of their clients. In providing access to records and submitting reports required pursuant to the provisions of this Contract, the NYSDA shall, in accordance with its professional responsibility under the New York Rules of Professional Conduct (see 22 NYCRR Pt. 1200), protect the confidences and secrets of its clients, including the clients of the attorneys to whom the NYSDA provided assistance or services. No record or report shall be deemed deficient because of the omission of information, the provision of which would result in the disclosure of any such confidences or secrets or would otherwise compromise the interest of any client.

In serving as the Public Defense Backup Center and a clearing house for information relating to the provision of public defense services, NYSDA will review, assess, and analyze the public defense system and advance the rights and interests of public defense clients and public defense attorneys.

APPENDIX C, PAYMENT AND REPORTING

III. Payment and Reporting Provisions

For All Grantees:

All requests for reimbursement must reflect actual costs that have been incurred for goods or services that were received by the Contractor during the contract period, or alternatively, the number of milestones achieved during the contract period for performance-based contracts. A purchase order issued without receipt of the items or services is not eligible for reimbursement. Goods or services ordered but not received during the contract period are not eligible for reimbursement. Additionally, the Contractor must have paid for the goods or services in order to be eligible for reimbursement.

A. Contractors must submit all required fiscal reports, supporting documentation and program progress reports as required under Section II. Failure to meet these requirements may result in rejection of the associated voucher, placement of a stop payment or withholding of funds. Final vouchers and required reports must be submitted by the last day of the month following the end of the grant contract period. Failure to voucher within this period may result in the loss of grant funds.

B. If an advance was approved and a contract renewal is permitted, this serves as notification to contractors that advances shall not be automatically renewed. If an advance in subsequent renewal periods is requested, supporting documentation in a manner prescribed by the State Agency is required. The State Agency at its sole discretion shall be determined if a subsequent advance is supported. Nothing in this agreement shall require any advance during subsequent renewal periods simply because an advance was approved in the initial or prior contract term.

C. Vouchers (Claims for Payment) shall be submitted in a format acceptable to the State Agency and the Office of the State Comptroller (see <http://www.criminaljustice.ny.gov/ofpa/applcngntfrms.html>). All required reports, such as Fiscal Cost Reports and Detailed Itemization Forms, must be prepared quarterly consistent with provisions in Appendix D. Prior period adjustments shall be reported in the same accounting period that the correction was made. **Requests for payments must be accompanied by adequate supporting documentation as determined by the State Agency.**

D. All submitted vouchers shall reflect the Contractor's actual disbursements and be accompanied by supporting detailed itemizations of personal service and non-personal service expenditures and other documentation as required - or by milestone achievements for performance-based contracts - and a fiscal cost report for the reporting period. Timely, properly completed and signed vouchers and fiscal cost reports, as well as detailed itemization forms with supporting documentation as required, shall be submitted to:

DCJSGrantsUnitVoucherSubmittal@DCJS.NY.Gov

The State Agency reserves the right not to release subsequent grant awards pending Contractor compliance with this Agreement. In the event that any expenditure for which the Contractor has been reimbursed by grant funds is subsequently disallowed, the State Agency in its sole discretion, may reduce the voucher payment by the amount disallowed.

E. For purposes of prompt payment provisions, the Designated Payment Office for the processing of all vouchers is the DCJS Office of Financial Services as described above. Payment of grant vouchers shall be made in accordance with the provisions of Article XI-A of the State Finance Law. The Contractor must notify the Office of Financial Services in writing of a change of address in order to benefit from the prompt payment provision of the State Finance Law. When progress reports are overdue or the required MWBE reporting is not included, vouchers will not be eligible for prompt payment interest.

APPENDIX D - Work Plan**Goal**

To ensure the comprehensive investigation of all non-fatal bullet-to-body shooting cases, with particular focus on circumstances where victims are uncooperative, and to support the “evidence-based” prosecution mindset that is often used in domestic violence cases.

Objective #1

The Oneida County District Attorney’s Office, in partnership with the City of Utica Police Department, will develop a multi-disciplinary team in keeping with the Gun Involved Violence Elimination (GIVE) initiative, including other law enforcement entities and non-law enforcement partners (e.g. local hospitals and SNUG), which will comprehensively investigate non-fatal bullet-to-body shootings.

Task #1 for Objective #1

Develop a written protocol, in partnership with the City of Utica Police Department, which identifies the members of the multi-disciplinary team, and defines partner roles in non-fatal bullet-to-body shooting investigations, including dedicated supervisory oversight and the involvement of additional personnel at local agency discretion.

Performance Measure

1. Provide DCJS and/or the project research partner a copy of the written protocol, which should identify the process for initial response, supervisory responsibility, involvement of supporting resources and notification of both the investigative team and command/executives. The preliminary investigative steps should include identification and preservation of the crime scene, a thorough crime scene search, crime scene photography/sketches, neighborhood canvasses, interviews of all witnesses and persons with knowledge, and the collection of evidence for forensic analysis, at a minimum.
2. Describe how the protocol was communicated to all project participants and first responders who may respond to shootings in the field.

Task #2 for Objective #1

Prepare checklists and/or associated forms outlining specific actions to be taken during the preliminary investigation by the initial responding officers, as well as investigative steps and tasks that will or have been taken throughout each step of the case during the follow up investigation.

Performance Measure

1. Provide DCJS and/or the project research partner a copy of all checklists and/or any associated forms developed, which will be utilized during the preliminary investigation by the initial responding officers and throughout the subsequent investigation of any bullet-to-body non-fatal shooting incidents.
2. Describe how the checklists/forms were distributed to all project participants, as well as to other personnel that may support shooting investigations under this project.

Objective #2

The Oneida County District Attorney’s Office will assign personnel solely dedicated to the non-fatal shooting case initiative in the City of Utica.

Task #1 for Objective #2

The Oneida County District Attorney’s Office will assign Investigator(s) dedicated to the project to ensure a thorough investigation of all non-fatal bullet-to-body shootings, regardless of victim cooperation. The DA’s Office may also assign dedicated staff to prosecute non-fatal bullet to body shootings. In addition, other confirmed shooting cases where intended victims were not struck may be investigated and/or prosecuted on a case-by-case determination of the initiative partners.

Performance Measure

1. Provide the names and titles of the DA’s office personnel assigned to this project.

- 2 2. Provide a brief narrative summarizing the duties and activities of the Investigator and any other DA's office personnel involved with the project.
- 3 3. Provide a list of all bullet-to-body shooting cases in the City of Utica for the duration of the project.

WAYS & MEANS

Dear Chairman:

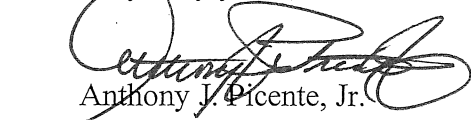

It is time to start the additional work on the REA Wing at the train station in order to make it a functioning building again. I am proposing using \$2 million in the American Rescue Plan Act (ARPA), to fund the additional work needed. Currently, the architects envision making the area into a four-season room incorporating a "Utica Food Hub". The plans for this area need to be drawn up and contracts awarded to get the project completed by the December 31, 2026 deadline.

I therefore request your Board's approval to amend **Capital Project H-GEN 023 19972 – Capital Outlay – UNION STATION REA WING:**

Dear Chairman:

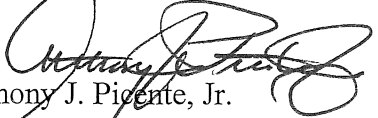

I have been informed by the president of Mohawk Valley Community College, Randall J. VanWagoner, he recently received the bids to complete the sofit work on Wilcox Hall. Unfortunately, these bids are approximately \$100,000 over the original capital project amount of \$310,000. I have agreed to pay for fifty percent of the shortfall from the County's American Recovery Program Act (ARPA), with the additional funding coming from New York State due to the fact this is eligible for reimbursement as a capital project.

WAYS & MEANS

Dear County Executive Picente,

The New York State Department of Transportation (NYSDOT) is assisting Oneida County for the Replacement of the Gridley Paige Road Bridge over Big Creek in the Town of Marshall has been added to the State Transportation Improvement Plan. Eligible project expenditures qualify for 80% Federal aid and 15% State aid. The balance remaining is paid by local funds. The subject bridge is owned by the Town of Marshall.

New York State Department of Transportation rules and regulations for Locally Administered Federal Aid Projects apply. Due to the complexity of these rules and regulations, it is very difficult for local municipalities to complete projects within budget and schedule constraints. Oneida County has the experience, expertise, and financial flexibility required to successfully complete Locally Administered Federal Aid Projects. Therefore, Oneida County has agreed to act as project sponsor. An Inter-municipal agreement between Oneida County and the Town of Marshall has been executed establishing the Town's responsibility for 100% of any local and/or unfunded expense.

The enclosed Federal aid Local Project Agreement will allow Oneida County to be reimbursed up to \$134,400.00 in Federal and State Marcheselli funds for preliminary engineering and design services as eligible expenditures are made per Schedule A of the agreement. The Town of Marshall would be responsible for 100% of the local matching share, currently estimated to be \$6,720.00.

If acceptable, please forward the enclosed Federal aid Local Project Agreement to the Oneida County Board of Legislators for consideration.

Thank you for your continued support.

Sincerely,

acting by and through Chairman, Board of Supervisors
with its office at 800 Park Avenue, Utica 13501.

This Agreement covers eligible costs incurred on or after 9/13/2022.

This Agreement identifies the party responsible for administration and establishes the method or provision for funding of applicable phases of a Federal aid project for the improvement of a street or highway, not on the State highway system, as such project and phases are more fully described by Schedule A annexed to this Agreement or one or more Supplemental Schedule(s) A to this Agreement as duly executed and approved by the parties hereto. The phases that are potentially the subject of this Agreement, as further enumerated below, are: Preliminary Engineering ("PE") and Right-of-Way Incidental ("ROW Incidentals") work; Right-of-Way Acquisition; Construction; and/or Construction Supervision and Inspection. The Federal aid project shall be identified for the purposes of this Agreement as Bridge Replacement of Gridley Paige Road over Big Creek (BIN 2205850) Town of Marshall, Oneida County. (as more specifically described in such Schedule A, the "Project").

WITNESSETH:

WHEREAS, the United States has provided for the apportionment of Federal aid funds to the State for the purpose of carrying out Federal aid highway projects pursuant to the appropriate sections of Title 23 U.S. Code as administered by the Federal Highway Administration ("FHWA"); and

WHEREAS, the New York State Highway Law authorizes the Commissioner of Transportation (hereinafter referred to as "Commissioner") to use Federal aid available under the Federal aid highway acts and provides for the consent to and approval by the Municipality/Sponsor of any project under the Federal aid highway program which is not on the State highway system before such Project is commenced; and

WHEREAS, pursuant to Highway Law §10(34-a) and section 15 of Chapter 329 of the Laws of 1991 as amended by section 9 of Chapter 330 of the Laws of 1991, as further amended by Chapter 57 of the Laws of New York of 2014, the State has established the "Marchiselli" Program, which provides certain State-aid for Federal aid highway projects not on the State highway system; and

WHEREAS, funding of the "State share" of projects under the Marchiselli Program is administered through the New York State Office of the Comptroller ("State Comptroller"); and

WHEREAS, Highway Law §80-b authorizes the funding of eligible costs of Federal aid Municipal/Sponsor streets and highway projects using State-aid and Federal aid; and

WHEREAS, project eligibility for Marchiselli Program funds is determined by NYSDOT; and

WHEREAS, pursuant to authorizations therefore, NYSDOT and the Municipality/Sponsor are desirous of progressing the Project under the Federal aid and, if applicable, Marchiselli-aid Programs; and

WHEREAS, The Legislative Body of the Municipality/Sponsor by Resolution No. _____ adopted at meeting held on _____ approved the Project, the Municipality/Sponsor's entry into this Agreement, has appropriated necessary funds in connection with any applicable Municipal/Sponsor Deposit identified in applicable Schedules A and has further authorized the County Executive of the Municipality/Sponsor to execute this Agreement and the applicable Schedule A on behalf of the Municipality/Sponsor and a copy of such Resolution is attached to and made a part of this Agreement (where New York City is the Municipality/Sponsor, such resolution is not required).

NOW, THEREFORE, the parties agree as follows:

1. *Documents Forming this Agreement.* The Agreement consists of the following:

- Agreement Form - this document titled "Federal aid Local Project Agreement";
- Schedule "A" - Description of Project Phase, Funding and Deposit Requirements;
- Schedule "B" - Phases, Subphase/Tasks, and Allocation of Responsibility
- Appendix "A" - New York State Required Contract Provisions
- Appendix "A-1" - Supplemental Title VI Provisions (Civil Rights Act)
- Appendix "B" - U.S. Government Required Clauses (Only required for agreements with federal funding)
- Municipal/Sponsor Resolution(s) - duly adopted Municipal/Sponsor resolution authorizing the appropriate Municipal/Sponsor official to execute this Agreement on behalf of the Municipality/Sponsor and appropriating the funding required therefore. (Where New York City is the Municipality/Sponsor, such resolution is not required).

***Note – Resolutions for Bridge NY projects must also include an express commitment by the Municipality/Sponsor that construction shall commence no later than twenty-four (24) months after award, and the project must be completed within thirty (30) months of commencing construction.**

2. *General Description of Work and Responsibility for Administration and Performance.* Subject to the allocations of responsibility for administration and performance thereof as shown in Schedule B (attached), the work of the Project may consist generally of the categories of work marked and described in Schedule B for the scope and phase in effect according to Schedule A or one or more Supplemental Schedule(s) A as may hereafter be executed and approved by the parties hereto as required for a State contract, and any additions or deletions made thereto by NYSDOT subsequent to the development of such Schedule(s) A for the purposes of conforming to New York State or to Federal Highway Administration requirements.

The Municipality/Sponsor understands that funding is contingent upon the Municipality/Sponsor's compliance with the applicable requirements of the "Local Projects Manual (LPM)" (available through

NYSDOT's web site at <https://www.dot.ny.gov/plafap>, and as such may be amended from time to time.

3. *Municipal/Sponsor Deposit.* Where the work is performed by consultant or construction contract entered into with NYSDOT, or by NYSDOT forces, and unless the total non-Federal share of the Project phase is under \$5,000, the Municipality/Sponsor shall deposit with the State Comptroller, prior to the award of NYSDOT's contract or NYSDOT's performance of work by its own forces, the full amount of the non-Federal share of the Project costs due in accordance with Schedule A.

4. *Payment or Reimbursement of Costs.* For work performed by NYSDOT, NYSDOT will directly apply Federal aid and the required Municipality/Sponsor Deposit for the non-Federally aided portion, and, if applicable, shall request State Comptroller funding of Marchiselli aid to the Municipality/Sponsor as described below. For work performed by or through the Municipality/Sponsor, NYSDOT will reimburse the Municipality/Sponsor with Federal aid and, if applicable, Marchiselli aid as described below. NYSDOT will periodically make reimbursements upon request and certification by the Sponsor. The frequency of reimbursement requests must be in conformance with that stipulated in the NYSDOT Standard Specifications; Construction and Materials (section 109-06, Contract Payments). NYSDOT recommends that reimbursement requests not be submitted more frequently than monthly for a typical project. In all cases, reimbursement requests must be submitted at least once every six months.

4.1 *Federal aid.* NYSDOT will administer Federal funds for the benefit of the Municipality/Sponsor for the Federal share and will fund the applicable percentage designated in Schedule A of Federal aid participating costs incurred in connection with the work covered by this Agreement, subject to the limitations set forth on Schedule A. For work performed by or through the Municipality/Sponsor, NYSDOT will reimburse Federal aid-eligible expenditures in accordance with NYSDOT policy and procedures.

4.1.1 *Participating Items.* NYSDOT shall apply Federal funds only for that work and those items that are eligible for Federal participation under Title 23 of U.S. Code, as amended, that requires Federal aid eligible projects to be located on the Federal Aid Highway System ("FAHS"), except for bridge and safety projects which can be located off the FAHS. Included among the Federal participating items are the actual cost of employee personal services, and leave and fringe benefit additives. Other participating costs include materials and supplies, equipment use charges or other Federal Participating costs directly identifiable with the eligible project.

4.2 *Marchiselli Aid (if applicable).* NYSDOT will request State Comptroller reimbursement to the Municipality of the upset amount and designated percentage in Schedule A of the non-overmatched non-Federal share of Federal participating cost, (the "State share"), incurred in connection with the work covered by this Agreement, subject to the limitations set forth on Schedule A. Not all Federal aid-eligible participating costs are eligible for Marchiselli aid. Only "Eligible Project Costs" (as defined in Marchiselli Program instructions issued by NYSDOT) incurred after April 1, 1991 are reimbursable.

4.2.1 *Marchiselli Eligible Project Costs.* To be eligible for Marchiselli Aid, Project costs must: (a) be eligible for Federal participation as described under 4.1 above; (b) be for work which, when completed, has a certifiable service life of at least 10 years; (c) be for work that relates directly and exclusively to a municipally-owned highway, bridge or highway-railroad crossing located off the State Highway System; and (d) be submitted for reimbursement in accordance with 4.2.2.

4.2.2 *Marchiselli Reimbursement Requests.* A Sponsor's reimbursement requests are restricted to eligible project costs. To be classified as an "eligible project cost", in addition to other requirements of this agreement, the original expenditure must have been paid within the past 15 months in order to comply with Federal Tax Law (26 CFR 1.150-2 (d)(2)(i)) which governs fund disbursements from the issuance of tax-exempt bonds. Hence, expenditures paid greater than 15 months prior to the reimbursement request are ineligible for reimbursement.

4.2.3 *Marchiselli Extended Records Retention Requirements.*

4.2.3.1 To ensure that NYSDOT meets certain requirements under the Code of Federal Regulations, Part 26, and to ensure that NYSDOT may authorize the use of funds for this project, notwithstanding any other provision of this Contract to the contrary, the Sponsor must retain the following documents in connection with the Projects:

- a) Documents evidencing the specific assets financed with such proceeds, including but not limited to project costs, and documents evidencing the use and ownership of the property financed with proceeds of the bonds; and
- b) Documents, if any, evidencing the sale or other disposition of the financed property.

4.2.3.2 The Sponsor covenants to retain those records described above, which are used by the Sponsor in connection with the administration of this Program, for thirty-six (36) years after the date of NYSDOT's final payment of the eligible project cost(s).

4.2.3.3 Failure to maintain such records in a manner that ensures complete access thereto, for the period described above, shall constitute a material breach of the contract and may, at the discretion of NYSDOT, result in loss of funds allocated, or the Sponsor's repayment of funds distributed, to the Sponsor under this agreement.

4.3 In no event shall the State be obligated to fund or reimburse any costs exceeding:

- (a) the amount stated in Schedule A for the Federal Share; or
- (b) the amount stated in Schedule A as the State (Marchiselli) share.

4.4 All items included by the Municipality/Sponsor in the record of costs shall be in conformity with accounting procedures acceptable to NYSDOT and the FHWA. Such items shall be subject to audit by the State, the federal government or their representatives.

4.5 If Project-related work is performed by NYSDOT, NYSDOT will be paid for the full costs thereof. To affect such payment, the reimbursement to the Municipality/Sponsor provided for in sections 4.1 and 4.2 above may be reduced by NYSDOT by the amounts thereof in excess of the Municipality/Sponsor Deposit available for such payment to NYSDOT.

5. *Supplemental Agreements and Supplemental Schedule(s) A.* Supplemental Agreements or Supplemental Schedule(s) A may be entered into by the parties and must be executed and approved in the manner required for a State contract. A Supplemental Schedule A is defined as a Supplemental Agreement which revises only the Schedule A of a prior Agreement or Supplemental Agreement. In the event Project cost estimates increase over the amounts provided for in Schedule A, no additional reimbursement shall be due to the Municipality/Sponsor unless the parties enter into a Supplemental Agreement or Supplemental Schedule A for reimbursement of additional Eligible Project Costs.

6. *State Recovery of Ineligible Reimbursements.* NYSDOT shall be entitled to recover from the Municipality/Sponsor any monies paid to the Municipality/Sponsor pursuant to this Agreement which are subsequently determined to be ineligible for Federal aid or Marchiselli Aid hereunder.

7. *Loss of Federal Participation.* In the event the Municipality/Sponsor withdraws its approval of the project, suspends or delays work on the Project or takes other action that results in the loss of Federal participation for the costs incurred pursuant to this Agreement, the Municipality/Sponsor shall refund to the State all reimbursements received from the State, and shall reimburse the State for 100% of all preliminary engineering and right-of-way incidental costs incurred by NYSDOT. The State may offset any other State or Federal aid due to the Municipality/Sponsor by such amount and apply such offset to satisfy such refund.

8. *Municipal/Sponsor Liability.*

8.1 If the Municipality/Sponsor performs work under this Agreement with its own forces, it shall be responsible for all damage to person or property arising from any act or negligence performed by or on behalf of the Municipality/Sponsor, its officers, agents, servants or employees, contractors, subcontractors or others in connection therewith. The Municipality/Sponsor specifically agrees that its agents or employees shall possess the experience, knowledge and character necessary to qualify them individually for the particular duties they perform.

8.2 The Municipality/Sponsor shall indemnify and save harmless the State for all damages and costs arising out of any claims, suits, actions, or proceedings resulting from the negligent performance of work by or on behalf of the Municipality/Sponsor its officers, agents, servants, employees, contractors, subcontractors or others under this Agreement. Negligent performance of service, within the meaning of this section, shall include, in addition to negligence founded upon tort, negligence based upon the Municipality/Sponsor's failure to meet professional standards and resulting in obvious or patent errors in the progression of its work. Additionally, the Municipality/Sponsor shall defend the State in any action arising out of any claims, suits, actions, or proceedings resulting from the negligent performance of work by or on behalf of the Municipality/Sponsor, its officers, agents, servants, employees, contractors, subcontractors or others under this Agreement.

8.3 The Municipality/Sponsor shall at all times during the Contract term remain responsible. The Municipality/Sponsor agrees, if requested by the Commissioner of Transportation or his or her designee, to present evidence of its continuing legal authority to do business in New York State, integrity, experience, ability, prior performance, and organizational and financial capacity.

8.4 The Commissioner of Transportation or his or her designee, in his or her sole discretion, reserves the right to suspend any or all activities under this Contract, at any time, when he or she discovers information that calls into question the responsibility of the Municipality/Sponsor. In the event of such suspension, the Municipality/Sponsor will be given written notice outlining the particulars of such suspension. Upon issuance of such notice, the Municipality/Sponsor must comply with the terms of the suspension order. Contract activity may resume at such time as the Commissioner of Transportation or his or her designee issues a written notice authorizing a resumption of performance under the Contract.

8.5 Upon written notice to the Municipality/Sponsor, and a reasonable opportunity to be heard with appropriate Department of Transportation officials or staff, the Contract may be terminated by the Commissioner of Transportation or his or her designee at the Municipality's/Sponsor's expense where the Municipality/Sponsor is determined by the Commissioner of Transportation or his or her designee to be non-responsible. In such event, the Commissioner of Transportation or his or her designee may complete the contractual requirements in any manner he or she may deem advisable and pursue available legal or equitable remedies for breach.

9. *Maintenance.* The Municipality/Sponsor shall be responsible for the maintenance of the project at the sole cost and expense of the Municipality/Sponsor. If the Municipality/Sponsor intends to have the project maintained by another, any necessary maintenance agreement will be executed and submitted to NYSDOT before construction of the Project is begun. Upon its completion, the Municipality/Sponsor will operate and maintain the Project at no expense to NYSDOT; and during the useful life of the Project, the Municipality/Sponsor shall not discontinue operation and maintenance of the Project, nor dispose of the Project, unless it receives prior written approval to do so from NYSDOT.

9.1 The Municipality/Sponsor may request such approved disposition from NYSDOT where the Municipality/Sponsor either causes the purchaser or transferee to assume the Municipality/Sponsor's continuing obligations under this Agreement, or agrees immediately to reimburse NYSDOT for the pro-rata share of the funds received for the project, plus any direct costs incurred by NYSDOT, over the remaining useful life of the Project.

9.2 If a Municipality/Sponsor fails to obtain prior written approval from NYSDOT before discontinuing operation and maintenance of the Project or before disposing of the project, in addition to the costs provided, above in 9.1, Municipality/Sponsor shall be liable for liquidated damages for indirect costs incurred by NYSDOT in the amount of 5% of the total Federal and non-Federal funding provided through NYSDOT.

9.3 For NYSDOT-administered projects, NYSDOT is responsible for maintenance only during the NYSDOT administered construction phase. Upon completion of the construction phase, the Municipality/Sponsor's maintenance obligations start or resume.

10. *Independent Contractor.* The officers and employees of the Municipality/Sponsor, in accordance with the status of the Municipality/Sponsor as an independent contractor, covenant and agree that they will conduct themselves consistent with such status, that they will neither hold themselves out as, nor claim to be, an officer or employee of the State by reason hereof, and that they will not by reason hereof, make any claim, demand or application to or for any right or privilege applicable to an officer or employee of the State, including, but not limited to, Workers Compensation coverage,

Unemployment Insurance benefits, Social Security or Retirement membership or credit.

11. *Contract Executory; Required Federal Authorization.* It is understood by and between the parties hereto that this Agreement shall be deemed executory only to the extent of the monies available to the State and no liability on account thereof shall be incurred by the State beyond monies available for the purposes hereof. No phase of work for the project shall be commenced unless and until NYSDOT receives authorization from the Federal government.

12. *Assignment or Other Disposition of Agreement.* The Municipality/Sponsor agrees not to assign, transfer, convey, sublet or otherwise dispose of this Agreement or any part thereof, or of its right, title or interest therein, or its power to execute such Agreement to any person, company or corporation without previous consent in writing of the Commissioner.

13. *Term of Agreement.* As to the Project and phase(s) described in the Schedule A executed herewith, the term of this Agreement shall begin on the date of this Agreement as first above written. This Agreement shall remain in effect so long as Federal aid and Marchiselli-aid funding authorizations are in effect and funds are made available pursuant to the laws controlling such authorizations and availabilities. However, if such authorizations or availabilities lapse and are not renewed, continued or reenacted, as to funds encumbered or available and to the extent of such encumbrances or availabilities, this Agreement shall remain in effect for the duration of such encumbrances or availabilities. Although the liquidity of encumbrances or the availability of funds may be affected by budgetary hiatuses, a Federal or State budgetary hiatus will not by itself be construed to cause a lapse in this Agreement provided any necessary Federal or State appropriations or other funding authorizations therefore are eventually enacted.

13.1 *Time is of the essence (Bridge NY Projects).* The Municipality/Sponsor understands and agrees that construction of Bridge NY Projects shall commence no later than twenty-four (24) months after award, and the project must be completed within thirty (30) months of commencing construction.

14. *NYSDOT Obligations.* NYSDOT's responsibilities and obligations are as specifically set forth in this contract, and neither NYSDOT nor any of its officers or employees shall be responsible or liable, nor shall the Municipality/Sponsor assert, make or join in any claim or demand against NYSDOT, its officers or employees, for any damages or other relief based on any alleged failure of NYSDOT, its officers or employees, to undertake or perform any act, or for undertaking or performing any act, which is not specifically required or prohibited by this Agreement.

15. *Offset Rights.* In addition to any and all set-off rights provided to the State in the attached and incorporated Appendix A, Standard Clauses for New York Contracts, NYSDOT shall be entitled to recover and offset from the Municipality/Sponsor any ineligible reimbursements and any direct or indirect costs to the State as to paragraph 6 above, as well as any direct or indirect costs incurred by the State for any breach of the term of this agreement, including, but not limited to, the useful life requirements in paragraph 9 above. At its sole discretion NYSDOT shall have the option to permanently withhold and offset such direct and indirect cost against any monies due to the Municipality/Sponsor from the State of New York for any other reason, from any other source, including but not limited to, any other Federal or State Local Project Funding, and/or any Consolidated Highway and Local Street Improvement Program (CHIPS) funds

16. *Reporting Requirements.* The Municipality/Sponsor agrees to comply with and submit to NYSDOT in a timely manner all applicable reports required under the provisions of this Agreement and

STANDARD CLAUSES FOR NYS CONTRACTS

The parties to the attached contract, license, lease, amendment or other agreement of any kind (hereinafter, "the contract" or "this contract") agree to be bound by the following clauses which are hereby made a part of the contract (the word "Contractor" herein refers to any party other than the State, whether a contractor, licenser, licensee, lessor, lessee or any other party):

1. **EXECUTORY CLAUSE.** In accordance with Section 41 of the State Finance Law, the State shall have no liability under this contract to the Contractor or to anyone else beyond funds appropriated and available for this contract.
2. **NON-ASSIGNMENT CLAUSE.** In accordance with Section 138 of the State Finance Law, this contract may not be assigned by the Contractor or its right, title or interest therein assigned, transferred, conveyed, sublet or otherwise disposed of without the State's previous written consent, and attempts to do so are null and void. Notwithstanding the foregoing, such prior written consent of an assignment of a contract let pursuant to Article XI of the State Finance Law may be waived at the discretion of the contracting agency and with the concurrence of the State Comptroller where the original contract was subject to the State Comptroller's approval, where the assignment is due to a reorganization, merger or consolidation of the Contractor's business entity or enterprise. The State retains its right to approve an assignment and to require that any Contractor demonstrate its responsibility to do business with the State. The Contractor may, however, assign its right to receive payments without the State's prior written consent unless this contract concerns Certificates of Participation pursuant to Article 5-A of the State Finance Law.
3. **COMPTROLLER'S APPROVAL.** In accordance with Section 112 of the State Finance Law (or, if this contract is with the State University or City University of New York, Section 355 or Section 6218 of the Education Law), if this contract exceeds \$50,000 (or the minimum thresholds agreed to by the Office of the State Comptroller for certain S.U.N.Y. and C.U.N.Y. contracts), or if this is an amendment for any amount to a contract which, as so amended, exceeds said statutory amount, or if, by this contract, the State agrees to give something other than money when the value or reasonably estimated value of such consideration exceeds \$25,000, it shall not be valid, effective or binding upon the State until it has been approved by the State Comptroller and filed in his office. Comptroller's approval of contracts let by the Office of General Services is required when such contracts exceed \$85,000 (State Finance Law § 163.6-a). However, such pre-approval shall not be required for any contract established as a centralized contract through the Office of General Services or for a purchase order or other transaction issued under such centralized contract.
4. **WORKERS' COMPENSATION BENEFITS.** In accordance with Section 142 of the State Finance Law, this

contract shall be void and of no force and effect unless the Contractor shall provide and maintain coverage during the life of this contract for the benefit of such employees as are required to be covered by the provisions of the Workers' Compensation Law.

5. **NON-DISCRIMINATION REQUIREMENTS.** To the extent required by Article 15 of the Executive Law (also known as the Human Rights Law) and all other State and Federal statutory and constitutional non-discrimination provisions, the Contractor will not discriminate against any employee or applicant for employment, nor subject any individual to harassment, because of age, race, creed, color, national origin, sexual orientation, gender identity or expression, military status, sex, disability, predisposing genetic characteristics, familial status, marital status, or domestic violence victim status or because the individual has opposed any practices forbidden under the Human Rights Law or has filed a complaint, testified, or assisted in any proceeding under the Human Rights Law. Furthermore, in accordance with Section 220-e of the Labor Law, if this is a contract for the construction, alteration or repair of any public building or public work or for the manufacture, sale or distribution of materials, equipment or supplies, and to the extent that this contract shall be performed within the State of New York, Contractor agrees that neither it nor its subcontractors shall, by reason of race, creed, color, disability, sex, or national origin: (a) discriminate in hiring against any New York State citizen who is qualified and available to perform the work; or (b) discriminate against or intimidate any employee hired for the performance of work under this contract. If this is a building service contract as defined in Section 230 of the Labor Law, then, in accordance with Section 239 thereof, Contractor agrees that neither it nor its subcontractors shall by reason of race, creed, color, national origin, age, sex or disability: (a) discriminate in hiring against any New York State citizen who is qualified and available to perform the work; or (b) discriminate against or intimidate any employee hired for the performance of work under this contract. Contractor is subject to fines of \$50.00 per person per day for any violation of Section 220-e or Section 239 as well as possible termination of this contract and forfeiture of all moneys due hereunder for a second or subsequent violation.

6. **WAGE AND HOURS PROVISIONS.** If this is a public work contract covered by Article 8 of the Labor Law or a building service contract covered by Article 9 thereof, neither Contractor's employees nor the employees of its subcontractors may be required or permitted to work more than the number of hours or days stated in said statutes, except as otherwise provided in the Labor Law and as set forth in prevailing wage and supplement schedules issued by the State Labor Department. Furthermore, Contractor and its subcontractors must pay at least the prevailing wage rate and pay or provide the prevailing supplements, including the premium rates for overtime pay, as determined by the State Labor Department in accordance with the Labor Law.

In accordance with Section 139-d of the State Finance Law, if this contract was awarded based upon the submission of bids, Contractor affirms, under penalty of perjury, that its bid was arrived at independently and without collusion aimed at restricting competition. Contractor further affirms that, at the time Contractor submitted its bid, an authorized and responsible person executed and delivered to the State a non-collusive bidding certification on Contractor's behalf.

In accordance with Section 220-f of the Labor Law and Section 139-h of the State Finance Law, if this contract exceeds \$5,000, the Contractor agrees, as a material condition of the contract, that neither the Contractor nor any substantially owned or affiliated person, firm, partnership or corporation has participated, is participating, or shall participate in an international boycott in violation of the federal Export Administration Act of 1979 (50 USC App. Sections 2401 et seq.) or regulations thereunder. If such Contractor, or any of the aforesaid affiliates of Contractor, is convicted or is otherwise found to have violated said laws or regulations upon the final determination of the United States Commerce Department or any other appropriate agency of the United States subsequent to the contract's execution, such contract, amendment or modification thereto shall be rendered forfeit and void. The Contractor shall so notify the State Comptroller within five (5) business days of such conviction, determination or disposition of appeal (2 NYCRR § 105.4).

9. SET-OFF RIGHTS. The State shall have all of its common law, equitable and statutory rights of set-off. These rights shall include, but not be limited to, the State's option to withhold for the purposes of set-off any moneys due to the Contractor under this contract up to any amounts due and owing to the State with regard to this contract, any other contract with any State department or agency, including any contract for a term commencing prior to the term of this contract, plus any amounts due and owing to the State for any other reason including, without limitation, tax delinquencies, fee delinquencies or monetary penalties relative thereto. In the event such certification is found to be intentionally false or intentionally incomplete, the State may terminate the agreement by providing written notification to the Contractor in accordance with the terms of the agreement.

25. CERTIFICATION OF REGISTRATION TO COLLECT SALES AND COMPENSATING USE TAX BY CERTAIN STATE CONTRACTORS, AFFILIATES AND SUBCONTRACTORS.

If the person fails to demonstrate that it has ceased its engagement in the investment activity which is in violation of the Act within 90 days after the determination of such violation, then the state agency shall take such action as may be appropriate and provided for by law, rule, or contract, including, but not limited to, imposing sanctions, seeking compliance, recovering damages, or declaring the Contractor in default.

The state agency reserves the right to reject any bid, request for assignment, renewal or extension for an entity that appears on the Prohibited Entities List prior to the award, assignment, renewal or extension of a contract, and to pursue a responsibility review with respect to any entity that is awarded a contract and appears on the Prohibited Entities list after contract award.

The Architect shall have authority to act on behalf of the Owner only to the extent provided in this Agreement. The Architect shall not have control over, charge of, or responsibility for the construction means, methods, techniques, sequences or procedures, or for safety precautions and programs in connection with the Work, nor shall the Architect be responsible for the Contractor's failure to perform the Work in accordance with the requirements of the Contract Documents. The Architect shall be responsible for the Architect's negligent acts or omissions, but shall not have control over or charge of, and shall not be responsible for, acts or omissions of the Contractor or of any other persons or entities performing portions of the Work.

§ 3.6.1.3 Subject to Section 4.2 and except as provided in Section 3.6.6.5, the Architect's responsibility to provide Construction Phase Services commences with the award of the Contract for Construction and terminates on the date the Architect issues the final Certificate for Payment.

§ 3.6.2 Evaluations of the Work

§ 3.6.2.1 The Architect shall visit the site at intervals appropriate to the stage of construction, or as otherwise required in Section 4.2.3, to become generally familiar with the progress and quality of the portion of the Work completed, and to determine, in general, if the Work observed is being performed in a manner indicating that the Work, when fully completed, will be in accordance with the Contract Documents. However, the Architect shall not be required to make exhaustive or continuous on-site inspections to check the quality or quantity of the Work. On the basis of the site visits, the Architect shall keep the Owner reasonably informed about the progress and quality of the portion of the Work completed, and promptly report to the Owner (1) known deviations from the Contract Documents, (2) known deviations from the most recent construction schedule submitted by the Contractor, and (3) defects and deficiencies observed in the Work.

§ 3.6.2.2 The Architect has the authority to reject Work that does not conform to the Contract Documents. Whenever the Architect considers it necessary or advisable, the Architect shall have the authority to require inspection or testing of the Work in accordance with the provisions of the Contract Documents, whether or not the Work is fabricated, installed or completed. However, neither this authority of the Architect nor a decision made in good faith either to exercise or not to exercise such authority shall give rise to a duty or responsibility of the Architect to the Contractor, Subcontractors, suppliers, their agents or employees, or other persons or entities performing portions of the Work.

§ 3.6.2.3 The Architect shall interpret and decide matters concerning performance under, and requirements of, the Contract Documents on written request of either the Owner or Contractor. The Architect's response to such requests shall be made in writing within any time limits agreed upon or otherwise with reasonable promptness.

§ 3.6.2.4 Interpretations and decisions of the Architect shall be consistent with the intent of, and reasonably inferable from, the Contract Documents and shall be in writing or in the form of drawings. When making such interpretations and decisions, the Architect shall endeavor to secure faithful performance by both Owner and Contractor, shall not show partiality to either, and shall not be liable for results of interpretations or decisions rendered in good faith. The Architect's decisions on matters relating to aesthetic effect shall be final if consistent with the intent expressed in the Contract Documents.

§ 3.6.2.5 Unless the Owner and Contractor designate another person to serve as an Initial Decision Maker, as that term is defined in AIA Document A201–2017, the Architect shall render initial decisions on Claims between the Owner and Contractor as provided in the Contract Documents.

§ 3.6.3 Certificates for Payment to Contractor

§ 3.6.3.1 The Architect shall review and certify the amounts due the Contractor and shall issue certificates in such amounts. The Architect’s certification for payment shall constitute a representation to the Owner, based on the Architect’s evaluation of the Work as provided in Section 3.6.2 and on the data comprising the Contractor’s Application for Payment, that, to the best of the Architect’s knowledge, information and belief, the Work has progressed to the point indicated, the quality of the Work is in accordance with the Contract Documents, and that the Contractor is entitled to payment in the amount certified. The foregoing representations are subject to (1) an evaluation of the Work for conformance with the Contract Documents upon Substantial Completion, (2) results of subsequent tests and inspections, (3) correction of minor deviations from the Contract Documents prior to completion, and (4) specific qualifications expressed by the Architect.

§ 3.6.3.2 The issuance of a Certificate for Payment shall not be a representation that the Architect has (1) made exhaustive or continuous on-site inspections to check the quality or quantity of the Work, (2) reviewed construction means, methods, techniques, sequences or procedures, (3) reviewed copies of requisitions received from Subcontractors and suppliers and other data requested by the Owner to substantiate the Contractor’s right to payment, or (4) ascertained how or for what purpose the Contractor has used money previously paid on account of the Contract Sum.

§ 3.6.3.3 The Architect shall maintain a record of the Applications and Certificates for Payment.

§ 3.6.4 Submittals

§ 3.6.4.1 The Architect shall review the Contractor’s submittal schedule and shall not unreasonably delay or withhold approval of the schedule. The Architect’s action in reviewing submittals shall be taken in accordance with the approved submittal schedule or, in the absence of an approved submittal schedule, with reasonable promptness while allowing sufficient time, in the Architect’s professional judgment, to permit adequate review.

§ 3.6.4.2 The Architect shall review and approve, or take other appropriate action upon, the Contractor’s submittals such as Shop Drawings, Product Data and Samples, but only for the limited purpose of checking for conformance with information given and the design concept expressed in the Contract Documents. Review of such submittals is not for the purpose of determining the accuracy and completeness of other information such as dimensions, quantities, and installation or performance of equipment or systems, which are the Contractor’s responsibility. The Architect’s review shall not constitute approval of safety precautions or construction means, methods, techniques, sequences or procedures. The Architect’s approval of a specific item shall not indicate approval of an assembly of which the item is a component.

§ 3.6.4.3 If the Contract Documents specifically require the Contractor to provide professional design services or certifications by a design professional related to systems, materials, or equipment, the Architect shall specify the appropriate performance and design criteria that such services must satisfy. The Architect shall review and take appropriate action on Shop Drawings and other submittals related to the Work designed or certified by the Contractor’s design professional, provided the submittals bear such professional’s seal and signature when submitted to the Architect. The Architect’s review shall be for the limited purpose of checking for conformance with information given and the design concept expressed in the Contract Documents. The Architect shall be entitled to rely upon, and shall not be responsible for, the adequacy and accuracy of the services, certifications, and approvals performed or provided by such design professionals.

§ 3.6.4.4 Subject to Section 4.2, the Architect shall review and respond to requests for information about the Contract Documents. The Architect shall set forth, in the Contract Documents, the requirements for requests for information. Requests for information shall include, at a minimum, a detailed written statement that indicates the specific Drawings or Specifications in need of clarification and the nature of the clarification requested. The Architect’s response to such requests shall be made in writing within any time limits agreed upon, or otherwise with reasonable promptness. If appropriate, the Architect shall prepare and issue supplemental Drawings and Specifications in response to the requests for information.

§ 3.6.4.5 The Architect shall maintain a record of submittals and copies of submittals supplied by the Contractor in accordance with the requirements of the Contract Documents.

§ 3.6.5 Changes in the Work

§ 3.6.5.1 The Architect may order minor changes in the Work that are consistent with the intent of the Contract Documents and do not involve an adjustment in the Contract Sum or an extension of the Contract Time. Subject to Section 4.2, the Architect shall prepare Change Orders and Construction Change Directives for the Owner’s approval and execution in accordance with the Contract Documents.

§ 3.6.5.2 The Architect shall maintain records relative to changes in the Work.

§ 3.6.6 Project Completion

§ 3.6.6.1 The Architect shall:

- .1 conduct inspections to determine the date or dates of Substantial Completion and the date of final completion;
- .2 issue Certificates of Substantial Completion;
- .3 forward to the Owner, for the Owner’s review and records, written warranties and related documents required by the Contract Documents and received from the Contractor; and,
- .4 issue a final Certificate for Payment based upon a final inspection indicating that, to the best of the Architect’s knowledge, information, and belief, the Work complies with the requirements of the Contract Documents.

§ 3.6.6.2 The Architect’s inspections shall be conducted with the Owner to check conformance of the Work with the requirements of the Contract Documents and to verify the accuracy and completeness of the list submitted by the Contractor of Work to be completed or corrected.

§ 3.6.6.3 When Substantial Completion has been achieved, the Architect shall inform the Owner about the balance of the Contract Sum remaining to be paid the Contractor, including the amount to be retained from the Contract Sum, if any, for final completion or correction of the Work.

§ 3.6.6.4 The Architect shall forward to the Owner the following information received from the Contractor: (1) consent of surety or sureties, if any, to reduction in or partial release of retainage or the making of final payment; (2) affidavits, receipts, releases and waivers of liens, or bonds indemnifying the Owner against liens; and (3) any other documentation required of the Contractor under the Contract Documents.

§ 3.6.6.5 Upon request of the Owner, and prior to the expiration of one year from the date of Substantial Completion, the Architect shall, without additional compensation, conduct a meeting with the Owner to review the facility operations and performance.

The Owner shall compensate the Architect as provided in Section 11.2.

§ 4.2 Architect's Additional Services

The Architect may provide Additional Services after execution of this Agreement without invalidating the Agreement. Except for services required due to the fault of the Architect, any Additional Services provided in accordance with this Section 4.2 shall entitle the Architect to compensation pursuant to Section 11.3 and an appropriate adjustment in the Architect's schedule.

§ 4.2.1 Upon recognizing the need to perform the following Additional Services, the Architect shall notify the Owner with reasonable promptness and explain the facts and circumstances giving rise to the need. The Architect shall not proceed to provide the following Additional Services until the Architect receives the Owner's written authorization:

- .1 Services necessitated by a change in the Initial Information, previous instructions or approvals given by the Owner, or a material change in the Project including size, quality, complexity, the Owner's schedule or budget for Cost of the Work, or procurement or delivery method;
- .2 Services necessitated by the enactment or revision of codes, laws, or regulations, including changing or editing previously prepared Instruments of Service;
- .3 Changing or editing previously prepared Instruments of Service necessitated by official interpretations of applicable codes, laws or regulations that are either (a) contrary to specific interpretations by the applicable authorities having jurisdiction made prior to the issuance of the building permit, or (b) contrary to requirements of the Instruments of Service when those Instruments of Service were prepared in accordance with the applicable standard of care;
- .4 Services necessitated by decisions of the Owner not rendered in a timely manner or any other failure of performance on the part of the Owner or the Owner's consultants or contractors;

- 3 Two (2) inspections for any portion of the Work to determine whether such portion of the Work is substantially complete in accordance with the requirements of the Contract Documents
- 4 Two (2) inspections for any portion of the Work to determine final completion.

§ 4.2.4 Except for services required under Section 3.6.6.5 and those services that do not exceed the limits set forth in Section 4.2.3, Construction Phase Services provided more than 60 days after (1) the date of Substantial Completion of the Work or (2) the initial date of Substantial Completion identified in the agreement between the Owner and Contractor, whichever is earlier, shall be compensated as Additional Services to the extent the Architect incurs additional cost in providing those Construction Phase Services.

§ 4.2.5 If the services covered by this Agreement have not been completed within Eighteen (18) months of the date of this Agreement, through no fault of the Architect, extension of the Architect's services beyond that time shall be compensated as Additional Services.

ARTICLE 5 OWNER'S RESPONSIBILITIES

§ 5.1 Unless otherwise provided for under this Agreement, the Owner shall provide information in a timely manner regarding requirements for and limitations on the Project, including a written program, which shall set forth the Owner's objectives; schedule; constraints and criteria, including space requirements and relationships; flexibility; expandability; special equipment; systems; and site requirements.

§ 5.2 The Owner shall establish the Owner's budget for the Project, including (1) the budget for the Cost of the Work as defined in Section 6.1; (2) the Owner's other costs; and, (3) reasonable contingencies related to all of these costs. The Owner shall update the Owner's budget for the Project as necessary throughout the duration of the Project until final completion. If the Owner significantly increases or decreases the Owner's budget for the Cost of the Work, the Owner shall notify the Architect. The Owner and the Architect shall thereafter agree to a corresponding change in the Project's scope and quality.

§ 5.3 The Owner shall identify a representative authorized to act on the Owner's behalf with respect to the Project. The Owner shall render decisions and approve the Architect's submittals in a timely manner in order to avoid unreasonable delay in the orderly and sequential progress of the Architect's services.

§ 5.4 The Owner shall furnish surveys to describe physical characteristics, legal limitations and utility locations for the site of the Project, and a written legal description of the site. The surveys and legal information shall include, as applicable, grades and lines of streets, alleys, pavements and adjoining property and structures; designated wetlands; adjacent drainage; rights-of-way, restrictions, easements, encroachments, zoning, deed restrictions, boundaries and contours of the site; locations, dimensions, and other necessary data with respect to existing buildings, other improvements and trees; and information concerning available utility services and lines, both public and private, above and below grade, including inverts and depths. All the information on the survey shall be referenced to a Project benchmark.

§ 5.5 The Owner shall furnish services of geotechnical engineers, which may include test borings, test pits, determinations of soil bearing values, percolation tests, evaluations of hazardous materials, seismic evaluation, ground corrosion tests and resistivity tests, including necessary operations for anticipating subsoil conditions, with written reports and appropriate recommendations.

§ 5.6 The Owner shall provide the Supplemental Services designated as the Owner's responsibility in Section 4.1.1.

§ 5.7 If the Owner identified a Sustainable Objective in Article 1, the Owner shall fulfill its responsibilities as required in AIA Document E204™–2017, Sustainable Projects Exhibit, attached to this Agreement.

§ 5.8 The Owner shall coordinate the services of its own consultants with those services provided by the Architect. Upon the Architect's request, the Owner shall furnish copies of the scope of services in the contracts between the Owner and the Owner's consultants. The Owner shall furnish the services of consultants other than those designated as the responsibility of the Architect in this Agreement, or authorize the Architect to furnish them as an Additional Service, when the Architect requests such services and demonstrates that they are reasonably required by the scope of the Project. The Owner shall require that its consultants and contractors maintain insurance, including professional liability insurance, as appropriate to the services or work provided.

§ 5.9 The Owner shall furnish tests, inspections and reports required by law or the Contract Documents, such as structural, mechanical, and chemical tests, tests for air and water pollution, and tests for hazardous materials.

§ 5.10 The Owner shall furnish all legal, insurance and accounting services, including auditing services, that may be reasonably necessary at any time for the Project to meet the Owner's needs and interests.

§ 5.11 The Owner shall provide prompt written notice to the Architect if the Owner becomes aware of any fault or defect in the Project, including errors, omissions or inconsistencies in the Architect's Instruments of Service.

§ 5.12 The Owner shall include the Architect in all communications with the Contractor that relate to or affect the Architect's services or professional responsibilities. The Owner shall promptly notify the Architect of the substance of any direct communications between the Owner and the Contractor otherwise relating to the Project. Communications by and with the Architect's consultants shall be through the Architect.

§ 5.13 Before executing the Contract for Construction, the Owner shall coordinate the Architect's duties and responsibilities set forth in the Contract for Construction with the Architect's services set forth in this Agreement. The Owner shall provide the Architect a copy of the executed agreement between the Owner and Contractor, including the General Conditions of the Contract for Construction.

§ 5.14 The Owner shall provide the Architect access to the Project site prior to commencement of the Work and shall obligate the Contractor to provide the Architect access to the Work wherever it is in preparation or progress.

§ 5.15 Within 15 days after receipt of a written request from the Architect, the Owner shall furnish the requested information as necessary and relevant for the Architect to evaluate, give notice of, or enforce lien rights.

ARTICLE 6 COST OF THE WORK

§ 6.1 For purposes of this Agreement, the Cost of the Work shall be the total cost to the Owner to construct all elements of the Project designed or specified by the Architect and shall include contractors' general conditions costs, overhead and profit. The Cost of the Work also includes the reasonable value of labor, materials, and equipment, donated to, or otherwise furnished by, the Owner. The Cost of the Work does not include the compensation of the Architect; the costs of the land, rights-of-way, financing, or contingencies for changes in the Work; or other costs that are the responsibility of the Owner.

§ 6.2 The Owner's budget for the Cost of the Work is provided in Initial Information, and shall be adjusted throughout the Project as required under Sections 5.2, 6.4 and 6.5. Evaluations of the Owner's budget for the Cost of the Work, and the preliminary estimate of the Cost of the Work and updated estimates of the Cost of the Work, prepared by the Architect, represent the Architect's judgment as a design professional. It is recognized, however, that neither the Architect nor the Owner has control over the cost of labor, materials, or equipment; the Contractor's methods of determining bid prices; or competitive bidding, market, or negotiating conditions. Accordingly, the Architect cannot and does not warrant or represent that bids or negotiated prices will not vary from the Owner's budget for the Cost of the Work, or from any estimate of the Cost of the Work, or evaluation, prepared or agreed to by the Architect.

§ 6.3 In preparing estimates of the Cost of Work, the Architect shall be permitted to include contingencies for design, bidding, and price escalation; to determine what materials, equipment, component systems, and types of construction are to be included in the Contract Documents; to recommend reasonable adjustments in the program and scope of the

Project; and to include design alternates as may be necessary to adjust the estimated Cost of the Work to meet the Owner's budget. The Architect's estimate of the Cost of the Work shall be based on current area, volume or similar conceptual estimating techniques. If the Owner requires a detailed estimate of the Cost of the Work, the Architect shall provide such an estimate, if identified as the Architect's responsibility in Section 4.1.1, as a Supplemental Service.

§ 6.4 If, through no fault of the Architect, the Procurement Phase has not commenced within 90 days after the Architect submits the Construction Documents to the Owner, the Owner's budget for the Cost of the Work shall be adjusted to reflect changes in the general level of prices in the applicable construction market.

§ 6.5 If at any time the Architect's estimate of the Cost of the Work exceeds the Owner's budget for the Cost of the Work, the Architect shall make appropriate recommendations to the Owner to adjust the Project's size, quality, or budget for the Cost of the Work, and the Owner shall cooperate with the Architect in making such adjustments.

§ 6.6 If the Owner's budget for the Cost of the Work at the conclusion of the Construction Documents Phase Services is exceeded by the lowest bona fide bid or negotiated proposal, the Owner shall

- .1 give written approval of an increase in the budget for the Cost of the Work;
- .2 authorize rebidding or renegotiating of the Project within a reasonable time;
- .3 terminate in accordance with Section 9.5;
- .4 in consultation with the Architect, revise the Project program, scope, or quality as required to reduce the Cost of the Work; or,
- .5 implement any other mutually acceptable alternative.

§ 6.7 If the Owner chooses to proceed under Section 6.6.4, the Architect shall modify the Construction Documents as necessary to comply with the Owner's budget for the Cost of the Work at the conclusion of the Construction Documents Phase Services, or the budget as adjusted under Section 6.6.1. If the Owner requires the Architect to modify the Construction Documents because the lowest bona fide bid or negotiated proposal exceeds the Owner's budget for the Cost of the Work due to market conditions the Architect could not reasonably anticipate, the Owner shall compensate the Architect for the modifications as an Additional Service pursuant to Section 11.3; otherwise the Architect's services for modifying the Construction Documents shall be without additional compensation. In any event, the Architect's modification of the Construction Documents shall be the limit of the Architect's responsibility under this Article 6.

ARTICLE 7 COPYRIGHTS AND LICENSES

§ 7.1 The Architect and the Owner warrant that in transmitting Instruments of Service, or any other information, the transmitting party is the copyright owner of such information or has permission from the copyright owner to transmit such information for its use on the Project.

§ 7.2 The Architect and the Architect's consultants shall be deemed the authors and owners of their respective Instruments of Service, including the Drawings and Specifications, and shall retain all common law, statutory and other reserved rights, including copyrights. Submission or distribution of Instruments of Service to meet official regulatory requirements or for similar purposes in connection with the Project is not to be construed as publication in derogation of the reserved rights of the Architect and the Architect's consultants.

§ 7.3 The Architect grants to the Owner an exclusive license to use the Architect's Instruments of Service. The Architect shall obtain similar exclusive licenses from the Architect's consultants consistent with this Agreement. The license granted under this section permits the Owner to authorize the Contractor, Subcontractors, Sub-subcontractors, and suppliers, as well as the Owner's consultants and separate contractors, to reproduce applicable portions of the Instruments of Service. The Architect shall provide reproductions of the Instruments of Service and the As-Constructed Record Drawings to the Owner upon request, free of charge. All such reproductions shall be the property of the Owner, whether or not the Project is completed.

§ 7.3.1 In the event the Owner uses the Instruments of Service without retaining the authors of the Instruments of Service, the Owner releases the Architect and Architect's consultant(s) from all claims and causes of action arising from such uses.

§ 7.4 Except for the licenses granted in this Article 7, no other license or right shall be deemed granted or implied under this Agreement. The Owner shall not assign, delegate, sublicense, pledge or otherwise transfer any license

granted herein to another party without the prior written agreement of the Architect. Any unauthorized use of the Instruments of Service shall be at the Owner's sole risk and without liability to the Architect and the Architect's consultants.

§ 7.5 The provisions of this Article 7 shall survive the termination of this Agreement.

ARTICLE 8 CLAIMS AND DISPUTES

§ 8.1 General

§ 8.1.1 The Owner and Architect shall commence all claims and causes of action against the other and arising out of or related to this Agreement, whether in contract, tort, or otherwise, in accordance with the requirements of the binding dispute resolution method selected in this Agreement and within the period specified by applicable law, but in any case not more than 10 years after the date of Substantial Completion of the Work. The Owner and Architect waive all claims and causes of action not commenced in accordance with this Section 8.1.1.

§ 8.1.2 Paragraph Deleted.

§ 8.1.3 Paragraph Deleted.

§ 8.2 Mediation

§ 8.2.1 Any claim, dispute or other matter in question arising out of or related to this Agreement shall be subject to mediation as a condition precedent to binding dispute resolution. If such matter relates to or is the subject of a lien arising out of the Architect's services, the Architect may proceed in accordance with applicable law to comply with the lien notice or filing deadlines prior to resolution of the matter by mediation or by binding dispute resolution.

§ 8.2.2 The Owner and Architect shall endeavor to resolve claims, disputes and other matters in question between them by mediation. A request for mediation shall be made in writing, delivered to the other party to this Agreement, and filed with the person or entity administering the mediation. The request may be made concurrently with the filing of a complaint or other appropriate demand for binding dispute resolution but, in such event, mediation shall proceed in advance of binding dispute resolution proceedings, which shall be stayed pending mediation for a period of 60 days from the date of filing, unless stayed for a longer period by agreement of the parties or court order.

§ 8.2.3 The parties shall share the mediator's fee and any filing fees equally. The mediation shall be held in the place where the Project is located, unless another location is mutually agreed upon. Agreements reached in mediation shall be enforceable as settlement agreements in any court having jurisdiction thereof.

§ 8.2.4 If the parties do not resolve a dispute through mediation pursuant to this Section 8.2, the method of binding dispute resolution shall be the following:

(Check the appropriate box.)

Arbitration

Litigation in a New York State Court of competent jurisdiction located in Oneida County, New York, or the United States District Court for the Northern District of New York

Other: *(Specify)*

If the Owner and Architect do not select a method of binding dispute resolution, or do not subsequently agree in writing to a binding dispute resolution method other than litigation, the dispute will be resolved in a court of competent jurisdiction.

§ 8.3 Section Deleted

ARTICLE 9 TERMINATION OR SUSPENSION

§ 9.1 If the Owner fails to make payments to the Architect in accordance with this Agreement, such failure shall be considered substantial nonperformance and cause for termination or, at the Architect's option, cause for suspension of performance of services under this Agreement. If the Architect elects to suspend services for nonpayment, the Architect shall give seven days' written notice to the Owner before suspending services for nonpayment. In the event of a suspension of services, the Architect shall have no liability to the Owner for delay or damage caused the Owner because of such suspension of services. Before resuming services, the Owner shall pay the Architect all sums due prior to suspension.

§ 9.2 If the Owner suspends the Project, the Architect shall be compensated for services performed prior to notice of such suspension.

§ 9.3 If the Owner suspends the Project for more than 90 cumulative days for reasons other than the fault of the Architect, the Architect may terminate this Agreement by giving not less than seven days' written notice.

§ 9.4 Either party may terminate this Agreement upon not less than seven days' written notice should the other party fail substantially to perform in accordance with the terms of this Agreement through no fault of the party initiating the termination.

§ 9.5 The Owner may terminate this Agreement upon not less than seven days' written notice to the Architect for the Owner's convenience and without cause.

§ 10.4 Paragraph Deleted.

§ 10.5 Nothing contained in this Agreement shall create a contractual relationship with, or a cause of action in favor of, a third party against either the Owner or Architect.

§ 10.6 Unless otherwise required in this Agreement, the Architect shall have no responsibility for the discovery, presence, handling, removal or disposal of, or exposure of persons to, hazardous materials or toxic substances in any form at the Project site.

§ 10.7 The Architect shall have the right to include photographic or artistic representations of the design of the Project among the Architect's promotional and professional materials. The Architect shall be given reasonable access to the completed Project to make such representations. However, the Architect's materials shall not include the Owner's confidential or proprietary information if the Owner has previously advised the Architect in writing of the specific information considered by the Owner to be confidential or proprietary. The Owner shall provide professional credit for the Architect in the Owner's promotional materials for the Project. This Section 10.7 shall survive the termination of this Agreement unless the Owner terminates this Agreement for cause pursuant to Section 9.4.

§ 10.8 If the Architect or Owner receives information specifically designated as "confidential" or "business proprietary," the receiving party shall keep such information strictly confidential and shall not disclose it to any other person except as set forth in Section 10.8.1. The receiving party may also disclose such information to its employees, consultants, or contractors in order to perform services or work solely and exclusively for the Project, provided those employees, consultants and contractors are subject to the restrictions on the disclosure and use of such information as set forth in this Section 10.8.

§ 10.9 The invalidity of any provision of the Agreement shall not invalidate the Agreement or its remaining provisions. If it is determined that any provision of the Agreement violates any law, or is otherwise invalid or unenforceable, then that provision shall be revised to the extent necessary to make that provision legal and enforceable. In such case the Agreement shall be construed, to the fullest extent permitted by law, to give effect to the parties' intentions and purposes in executing the Agreement.

§10.10 Independent Contractor Status

§10.10.1 For the purposes of this paragraph, the term "Independent Contractor" shall include the Architect, and any and all of its consultants, agents, servants, officers, and employees. The Independent Contractor, covenants and agrees that it will conduct itself in accordance with such status, that it will neither hold itself out as, nor claim to be, an officer or employee of the Owner by reason thereof and that it shall not make any claim, demand or application to or for any right or privilege applicable to an officer or employee of the Owner. Both the Owner and the Independent Contractor shall have the right to participate in any conference, discussion or negotiation with any governmental agency regarding the Independent Contractor's status as an independent contractor.

The execution and delivery by Architect's signatory of this Agreement and the consummation of the transactions contemplated herein have been duly authorized by the Architect; no other action on the part of the Architect or any other person or entity is

Project Approach / Schedule

Project Approach

Our approach to this project is based on a team approach. The design team, in conjunction with representatives from Oneida County, will work to define the issues and develop the necessary contract documents.

We would recommend a kick-off meeting and site visit to evaluate the proposed work items. MARCH Associates would review existing drawings and surveys to develop the necessary backgrounds and to determine the presence of hazardous materials. Field work would be conducted to verify existing conditions. Meetings would be held during the Design Phase with the County to review the proposed design solutions and update the project estimates.

MARCH Associates has an accomplished resume working on renovation projects. We believe the design team has the necessary technical expertise to address any issues identified in the RFP. Our team has worked together on a number of assignments at the Oneida County Office Building, including the same scope of work on the First, Third and Fifth Floors, and our notable work on the Tenth Floor for the County Executive. We are also currently working on the asbestos abatement and interior renovations on the 7th Floor. We believe this first hand knowledge of the scope and our overall comprehension of the facility and building systems will greatly benefit Oneida County.

Current Work Load and Schedule - MARCH Associates, Towne Engineering, and Barton & Loguidice are committed to dedicating the staffing and other resources necessary to deliver an excellent design, thoroughly documented and coordinated, in the time frame expected by the County. We can begin immediately and the key individuals that we have proposed to work on the project, have the time available to make this commitment a reality.

Industrial Hygiene Experience

Environmental Experience

Our Environmental Group is staffed with experienced professionals who are skilled at providing solutions to complex environmental problems for a wide range of clients throughout the Northeast.

We understand the technical and regulatory issues associated with these types of investigations and know how to assist our clients in developing appropriate strategies for evaluating sites and subsequent remedial actions that are gauged to the future site use.

Our experience, knowledge, processes with an architectural design team, and commitment to the building owner is considered to be our specialty.

Asbestos and Lead Management

B&L's abatement specialty group provides assessment, design, and construction related services for asbestos and lead projects. Our staff is certified for asbestos and lead inspection and sampling, remedial design, and construction representation and monitoring.

B&L has performed pre-renovation or pre-demolition inspections for asbestos for hundreds of projects ranging in size from \$20,000 to more than \$100 million over the last 20 years. It is currently involved with the provision of similar services through architectural firms on approximately 25+ capital improvement projects for educational facility ranging in size from \$1 million to more than \$50 million.

Our team's experience also includes provision of asbestos surveys at more than 40 U.S. Air Force bases and government-owned manufacturing facilities worldwide.

Asbestos/Hazardous Building Material Services – Evidence of Specialized Knowledge

Our investigation services in the asbestos and hazardous building material arena are ancillary to architectural and mechanical renovations or demolition and redevelopment in educational facilities, primarily K-12. With this in mind, our survey methodologies and survey products are geared to allow easy transition to the material abatement design and bidding document phase. Ultimately, we know that the materials identified in our survey will need to be dealt with during renovation and construction activities. Accuracy and thoroughness at the survey and investigation phase is crucial to the construction phase.

When projects enter into the design phase and ultimately construction phase, it is of the utmost importance to have thorough and complete documents for bidding. The extra effort placed on the pre-renovation survey and planning with the design team ultimately reduces overall construction costs and potential for change orders, delays, and sometimes unanticipated conditions. In effect, it results in the best possible service for the owner both financially and with respect to execution.

Non-Collusion Certification**

The following section is an excerpt from the General Municipal Law.

103-d Statement of Non-Collusion in Bids and Proposals to Political Subdivision of the State

1. Every bid or proposal hereafter made to a political subdivision of the State or any public department, agency or official thereof where competitive bidding is required by statute, rule, regulation or local law, for work or services performed or to be performed or goods sold or to be sold, shall contain the following statement subscribed by the Bidder and affirmed by such Bidder as true under the penalties of perjury: Non-collusive Bidding Certification.

a) By submission of this Bid, each bidder, and each person signing on behalf of any Bidder, certifies, and in the case of a joint bid each party thereto certifies as to its own organization, under penalty of perjury, that to the best of knowledge and belief.

1) The prices in this bid have been arrived at independently without collusion, consultation, communication, or agreement, for the purpose of restricting competition, as to any matter relating to such prices with any other Bidder or with any competitor; and

2) Unless otherwise required by law, the prices which have been quoted in this bid have not been knowingly disclosed by the Bidder and will not knowingly be disclosed by the Bidder prior to opening, directly or indirectly to any other Bidder or to any competitor; and

3) No attempt has been made or will be made by the Bidder to induce any other person, partnership or corporation to submit or not to submit a bid for restricting competition.

b) A Bid shall not be considered for award nor shall any award be made where (a), (1), (2) and (3) above have not been complied with; provided however, that if in any case the Bidder cannot make the foregoing certification, the Bidder shall so state and shall furnish with the bid a signed statement which sets forth in detail the reasons therefore. Where (a), (1), (2) and (3) above have not been complied with, the bid shall not be considered for award nor shall any award be made unless the head of the Purchasing unit of the political subdivision, public department, agency or official thereof, to which the bid is made, or his designee, determines that such disclosure was not made for the purpose of restricting competition.

The fact that a Bidder (a) has published price lists, rates, or tariffs covering items being procured, (b) has informed prospective customers of proposed or pending publication of new or revised price lists for such items, or (c) has sold the same items to other customers at the same prices being bid, does not constitute, without more, a disclosure within the meaning of subparagraph one (a).

2. Any bid hereafter made to any political subdivision of the state or any public department, agency or official thereof by a corporate Bidder for work or services performed or to be performed or goods sold or to be sold, where competitive bidding is required by statute, rule, regulation, or local law, and where such bid contains the certification referred to in subdivision one of this section, shall be deemed to have been authorized by the Board of Directors of the Bidder, and such authorization shall be deemed to include the signing and submission of the bid and the inclusion therein of the certificate as to non-collusion as the act and deed of the corporation.

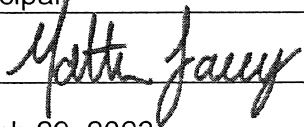

This is to certify that we have not been disqualified to contract with any municipality and we are in a position to accept any contract subject to the provisions of Section 103-d of General Municipal Law.

Iran Divestment Act - Certification**

Pursuant to New York State Finance Law §165-a, Iran Divestment Act of 2012, the Office of General Services is required to post on its web site <http://www.ogs.ny.gov/about/regs/docs/ListofEntities.pdf> a list of persons who have been determined to engage in investment activities in Iran ("the List"), as defined in that Act. Under Public Authorities Law § 2879-c, Iranian Energy Sector Divestment, the Authority, may not enter into or award a Contract unless it obtains a certification from a Bidder, who shall check the box and make the certification in Subparagraph a, below, that they are not on the List. If that certification cannot be made, the Authority may consider entering into a Contract, on a case by case basis if the Bidder checks the box and makes the certification in Subparagraph b, below, that their Iran investment is ceasing.

For purposes of this provision, a person engages in investment activities in Iran if: (A) the person provides goods or services of twenty million dollars or more in the energy sector of Iran, including a person that provides oil or liquefied natural gas tankers, or products used to construct or maintain pipelines used to transport oil or liquefied natural gas, for the energy sector of Iran; or (B) the person is a financial institution that extends twenty million dollars or more in credit to another person, for forty-five days or more, if that person will use the credit to provide goods or services in the energy sector in Iran.

The Certification is as follows:

Certification that the Bidder is not on the List: Each person, where person means natural person, corporation, company, limited liability company, business association, partnership society, trust, or any other nongovernmental entity, organization, or group, and each person signing on behalf of any other party, certifies, and in the case of a joint bid or proposal or partnership each party thereto certifies as to its own organization, under penalty of perjury, that to the best of its knowledge and belief that each person is not on the list created pursuant to paragraph (b) of subdivision 3 of section 165-a of the State Finance Law.

By submission of this bid, each Bidder and each person signing on behalf of any Bidder certify, and in the case of a joint bid each party thereto certifies as to its own organization, under penalty of perjury, that to the best of its knowledge and belief that each bidder is not on the list created pursuant to paragraph (b) of subdivision 3 of section 165-a of the State Finance Law.

I certify under penalty of perjury that the foregoing is true.

Appendix G
PROHIBITION ON PURCHASE OF TROPICAL HARDWOODS

Pursuant to State Finance Law Section 165(2)(c)(ii), the following certification is mandatory in every bid proposal, solicitation, request for bid or proposal and contract for the construction of any public work, building maintenance or improvement.

Any bid, proposal or other response to a solicitation for bid or proposal which proposes or calls for the use of any tropical hardwood or wood product as defined by Section 165 of the State Finance Law in performance of the contract shall be deemed non-responsive.

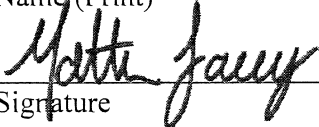

This prohibition shall not apply to:

1. To bid packages advertised and made available to the public or any competitive and sealed bids received or entered into prior to August twenty-fifth, nineteen hundred ninety-one; or
2. To any amendment, modification or renewal of a contract, which contract was entered into prior to August twenty-fifth, nineteen hundred ninety-one, where such application would delay timely completion of a project or involve an increase in the total monies to be paid under that contract; or
3. Where the contracting officer finds that:
 - a. No person or entity doing business in the state is capable of performing the contract using acceptable non-tropical hardwood species; or
 - b. The inclusion or application of such provisions will violate or be inconsistent with the terms or conditions of a grant, subvention or contract with an agency of the United States or the instructions of an authorized representative of any such agency with respect to any such grant, subvention or contract; or
 - c. The use of tropical woods is deemed necessary for purposes of historical restoration and there exists no available acceptable non-tropical wood species.

Certification of the Prohibition on Purchase of Tropical Hardwoods

The Contractor certifies and warrants that all wood products to be used under this contract award will be acquired in accordance with, but not limited to, the specifications and provisions of Section 165 of the State Finance Law (Use of Tropical Hardwoods), which prohibits purchase and use of tropical hardwoods, unless specifically exempted by the State or any governmental agency or political subdivision or public benefit corporation. Qualification for an exemption under this law will be the sole responsibility of the Contractor to establish to meet with the approval of the County.

In addition, when any portion of this Contract involving the use of woods, whether for supply or installation, is to be performed by any subcontractor, the prime Contractor will indicate and certify in the submitted bid proposal that the subcontractor has been informed and is in compliance with specifications and provisions regarding use of tropical hardwoods as detailed in Section 165 of the State Finance Law. Any such use must meet with approval of the County; otherwise, the bid may not be considered responsive. Under bidder certifications, proof of qualification for exemption will be the sole responsibility of the Contractor to establish to meet with the approval of the County
