

Learn about and share input on the draft concept design process for I-90 Exit 31!

Public Open House

THURSDAY
OCTOBER 23

5:00PM - 7:00PM

@ N. UTICA COMMUNITY CENTER
50 RIVERSIDE DRIVE, UTICA

What to expect at the open house:

5:00PM: Doors open and all are welcome.

5:30PM: Brief presentation to share updates about the Exit 31 Planning and Environment Linkages (PEL) Study and introduce draft concept designs and the screening process focused on improving safety and connectivity to I-90 Exit 31 and the surrounding roadways.

5:45 - 7:00PM: Participants will be invited to circulate around the room at their own pace to review the draft concept designs, provide input on the criteria that will be used to evaluate each concept, meet with the Study team, and share feedback.

Can't attend the open house but want to share your feedback? The draft concept designs, screening criteria, a recording of the presentation, and a brief survey will be posted to the Study website by October 27.
