ANTHONY J. PICENTE, JR.
County Executive

KEVIN W. REVERE
Director

To: All Oneida County Fire Chiefs

From: Kevin Revere, Oneida County Fire Coordinator

Date: March, 2012

Re: Site Information Form

Attached you will find a copy of the Site Information form used by Oneida County 911 to collect information from businesses and other buildings within the county. Fire departments can use this form to collect information for both the fire department records and the database at the 911 Center. Any information gathered will be stored by the 911 Center to assist the fire departments when responding to the addresses. Note: this is not related to the box alarm project.

The form is self explanatory. When it is completed, please return to the 911 center via email, fax, in person, U.S. mail, or through your deputy fire coordinator.

If you have any questions, please contact me.

Thank you for your assistance.
