June 17, 2025

TELL US WHAT YOU THINK

The Oneida County Health Department, Mohawk Valley Health System, and Rome Health are conducting a survey about the healthcare needs in the community. We want to hear from you!

DETAILS

We're looking to learn your thoughts and opinions about the health of your community. Please take a few minutes to complete the survey.

The survey should take less than 10 minutes to complete.

2 WAYS TO TAKE THE SURVEY

1 Scan QR Code
with your phone

2 Follow the Link

CHILL'D-Out: A Heat and Health Risk Factor Screening Questionnaire

Use this questionnaire with your patients to assess risk factors for health harms from heat or poor air quality. Then, create a Heat Action Plan with your patient. If there is limited time, cover the bolded questions.

August is Children's Eye Health and Safety Month

National Eye Institute offers free resources available to download and print for children to learn more about eye health and safety.

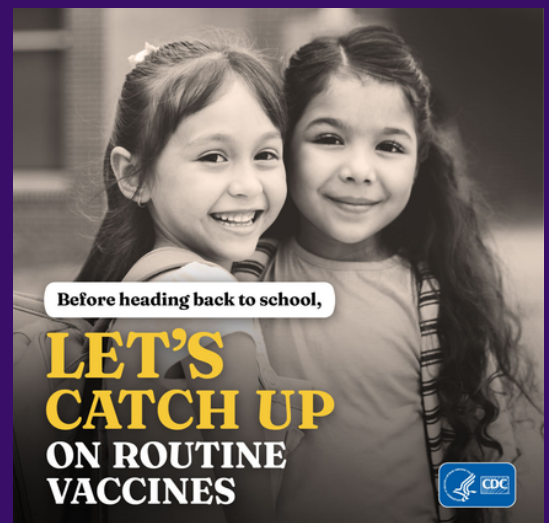

Activity books, calendars, coloring pages, and more.

As parents prepare to send their children back to school, remind them routine vaccinations are a great tool to keep kids healthy, in school, and ready to learn.
