## Bat Tests Positive for Rabies in Sauquoit

*Oneida County Health Department Urges Residents to Recognize Signs of Rabies*

A bat has tested positive for rabies in Sauquoit. The bat was sent to the New York State Department of Health Wadsworth Center for testing on June 6, 2023 and positive results were reported on June 7, 2023. One person was exposed to the bat and received post exposure prophylaxis.

Most bats do not have rabies, however, they are the leading cause of rabies deaths in the United States. Bats can sometimes enter homes through cracks or small holes. It is important to bat proof your home to prevent them from entering. Bat bites or scratches can be undetectable and it is possible to be exposed without knowing. If you find one in your home, you should try to safely capture it so it can be tested and contact the health department for guidance. For helpful tips on how to protect yourself and your home from rabies and bats, visit <https://www.cdc.gov/rabies/animals/bats/index.html>.

Signs of rabies include:

- Animal acting strangely
- Animal acting mad
- Animal acting shy
- Animal getting unusually close
- Drooling or foaming from the mouth

**If you see an animal, wild or stray, with these signs, do not approach it and stay away. If any animal is acting strangely, call your local animal control officer for help.**

Per NYS Public Health Law, all dogs, cats, and ferrets must be vaccinated by 4 months-old and then one year following the initial dose. Dogs and cats need to receive a booster dose every three years following. Ferrets must receive booster doses annually. For the safety of pets and the convenience of county residents, the Oneida County Health Department offers Rabies Vaccination Clinics throughout the year in various community locations. The following rabies vaccination clinics have been scheduled:

- June 12, 2023 from 5 p.m. to 6:30 p.m. at the Annsville Highway Garage
- July 24, 2023 from 5 p.m. to 6:30 p.m. at the Vienna Town Garage
- August 21, 2023 from 5 p.m. to 6:30 p.m. at the Rome Kennedy Arena
- October 19, 2023 from 5:30 p.m. to 7 p.m. at the Town of Trenton Offices

### ADMINISTRATION
