**Screenings for Memory Concerns  
Now Available at  
The Oneida County Office for Aging  
and Continual Care**

*Are you 60 years of age and older  
with questions about your memory?*

*Changes in memory are most often a normal part of aging  
but can be worrisome.*

If you have questions about your or a loved one's memory and live in Oneida County, the Office for Aging and Continual Care is now offering screenings for memory concerns. If needed, individuals are connected to health care professions for a full evaluation and appropriate treatment.
