

Civil Division: Maynard Fire District
Jurisdictional Class: Competitive
EEO Category: Service/Maintenance
Revised: 05/10/13

STATION KEEPER

DISTINGUISHING FEATURES OF THE CLASS: The incumbent is responsible for the custodial upkeep, inventory, and minor maintenance on fire equipment and related vehicles. This is routine work involving responsibility for seeing all apparatus, equipment, buildings, and grounds are properly maintained and repaired in accordance with the directives of the Board of Fire Commissioners at two (2) Fire Stations. This work is performed under the general supervision of the Fire Chief. The incumbent represents the District in interacting and communicating with residents, businesses and educational institutions relative to developing emergency pre-plans, scheduling inspections and coordinating fire prevention education programs. The incumbent is responsible for maintaining required personnel and emergency maintenance records relative to the LOSP (Length-of-Service-Program), health records, fire calls and any other required data. The incumbent assists in the coordination of the training program and related activities as directed by the Fire Chief. The incumbent performs related work as required.
