

Civil Division: Oneida-Herkimer Solid Waste Management Authority
Jurisdictional Class: Competitive
EEO Category: Administrative Support
Revised: 2/2/15

TRANSFER STATION SUPERVISOR

DISTINGUISHING FEATURES OF THE CLASS: This position exists at one or more of the Oneida-Herkimer Solid Waste Management Authority Transfer Stations. This position involves the responsibility to ensure that solid waste materials are processed in an efficient manner, on schedule, and according to approved procedures. This position involves the inspection of materials received at the Transfer Station, and includes determining and preventing the disposal of unauthorized, disallowed and/or incompatible materials at Authority facilities. The incumbent oversees the operations of the tipping areas. The work may also include the operation of various plant equipment, as well as, participating in the work of the crew. The incumbent works under the direct supervision of the Materials Recovery Facility Manager. Direct supervision is exercised over the work of Solid Waste Management Workers, Laborers and Vehicle Operators. The incumbent is responsible for directing, planning and assigning the work of employees involved in these positions. The incumbent performs related work as required.

TYPICAL WORK ACTIVITIES: (Illustrative Only)
