HOCCPP mentioned that NYS DEC was offering a Stormwater operator forum on May 7<sup>th</sup> from 1 to 4 p.m. to address questions from municipalities. HOCCPP also followed up on the topic of “Digitaltowpath.org,” informing members that Digital Towpath would be offering a .gov address for municipalities that wished to stay with the online website format. It was explained that the Oneida County portion of Digitaltowpath would eventually be discontinued. The information will be moved to the MVSC website located on the OC Planning and members can link to the new page.

HOCCPP asked the members receiving who are participating in the DEC mapping grant to please determine two points of contact that would be appropriate to help Oneida County GIS staff locate stormwater features and infrastructure for the next meeting.

Next meeting date: **Tuesday, May 20<sup>th</sup>, 2025**

At 3:25 PM, Schuyler moved to adjourn the meeting, with Clinton seconding the motion. All members were in favor.
