Oneida County Hosting Vaccination Clinics in Rome

Two Locations Offering Multiple Dates

The Oneida County Health Department is offering vaccination clinics for all ages throughout the winter months in the City of Rome.

Vaccination clinics will be held at:

Copper City Connection, 305 E. Locust Street, Rome from 9:30 a.m. to 12 p.m. on

- November 17, 2026
- December 1, 2026
- December 15, 2026
- January 26, 2027
- February 9, 2027
- March 9, 2027
- March 23, 2027
- April 6, 2027

Connected Community Schools, 207 N. James Street, Rome from 9:30 a.m. to 12 p.m. on

- December 29, 2026
- January 12, 2027
- February 23, 2027

Vaccines available include flu, COVID, school vaccines and others. Appointments are preferred and can be made by calling 315-798-5747.

Vaccines help keep people and communities safe from many diseases as well as serious and life-threatening illnesses. Vaccination is important because it not only protects the person receiving the vaccine but also helps prevent the spread of diseases to others-especially those who are most vulnerable to serious complications, such as infants and young children, the elderly, and those with chronic conditions and weakened immune systems.

"We recognize that residents and families may have some challenges to staying up to date on vaccines," said Oneida County Executive Anthony J. Picente Jr. "These clinics allow us to remove some of those barriers by bringing them to community locations."

“Vaccines are an extremely valuable tool to protect the residents from serious and deadly diseases,” said Oneida County Health Director Daniel W. Gilmore, Ph.D., MPH. “By bringing clinics to different locations, we’re making prevention more accessible and more convenient for families.”

For more information on vaccines, visit oneidacountyny.gov/vaccines. If you have questions about vaccines, please call 315-798-5747 or email publichealth@oneidacountyny.gov.
