## III. Scope of Services

1. Introduction. The Oneida County Board of Elections (“BOE”), a County Office, is responsible for all Federal, State, County, City and Town elections in Oneida County. Under present law, except for the Villages of Boonville, Camden, Clinton, New York Mills, Waterville, Whitesboro and Yorkville, all other village and school elections, as well as fire and other special district elections, do not fall under the jurisdiction of the BOE. The structure, responsibilities, and duties of the BOE are set forth in the New York State Election law. The BOE also administers elections several times a year for dozens of political subdivisions.

2. Project Objectives and Guidelines. The BOE utilizes Dominion and Clear Ballot election

software for results tabulation. The BOE now seeks an Election Night Reporting (ENR) System compatible with both Dominion and Clear Ballot results data files for the purposes of aggregation and display of election results, with the additional ability to provide a results report export in the format required by the New York State Board of Elections, as well as unofficial and official results to the general public on an election district level.

3. Performance Requirements. The proposed ENR system must ensure that Oneida County's system meets all technical and cybersecurity requirements for New York State.

4. Reporting and Performance Requirements. Proposers should outline the aggregation and reporting functions of their product. This should be part of the initial written proposal and, if necessary and by request, demonstrated in an on-site demonstration. The proposer should also demonstrate their ability to undergo changes occurring under redistricting which may occur on a local and state level in the next few years.

5. Implementation and Timeline. We are looking to award a contract for implementation February 1, 2025. Proposers should outline the timeline for transition from our current ENR system to their product. Timeline should account for full implementation as well as training for staff involved in the election results reporting process.

6. Maintenance and Warranty. Proposers should outline the warranty and yearly maintenance costs for their product. Please detail all support that will be given to the county not only during transition but throughout the life of the contract.

7. Training. Proposers should outline the training timelines and services they will offer on their product as well as costs related to that training. Proposers should also outline whether said training will be virtual, in person, or a combination thereof.

8. Support Services. Proposers should outline the support that can be expected throughout the life of the contract. Proposers should detail their support structure inside their company that will be available to Oneida County. Proposers should also delineate which support services will be included in the contract and which will be offered for additional cost.

9. References. Three (3) references should be submitted for the proposer with specific contact information for each reference. References should evidence the ability and capacity of the proposer to perform successfully.

10. Pricing Proposal. Proposals must include pricing on the three-year contract as well as the two possible one-year renewals.

## **IV. General Instructions to Proposers**

1. Proposal Submission. By submitting a proposal, the proposer agrees to accept all of the terms and conditions set forth herein. Oneida County reserves the right to reject any and all

proposals in whole or in part and to disregard all non-conforming, non-responsive or conditional responses.

2. Disqualification. Oneida County reserves the right to refuse to issue proposal documents or accept packets from proposers who have previously failed to complete contracts within the required time frame, or have previously performed similar work in an unsatisfactory manner. A proposal may be rejected if the proposer cannot show that it has the necessary ability to commence the work at the time prescribed and thereafter to perform and complete the work at the rate or within the time specified. A proposal may be rejected if the proposer is already obligated for the performance of other work which would delay the commencement, performance or completion of the work. Oneida County reserves the right to reject any proposal if the information submitted by, or investigation of, such proposer fails to satisfy the County that such proposer is properly qualified to carry out the obligations of the contract and to complete the work contemplated therein.

3. Termination. Oneida County reserves the right to reject any or all proposals or any portion thereof and to accept the proposal deemed most advantageous to the County. The County reserves the right to determine the successful firm, to waive minor irregularities, and to award the contract in the best interest of the County. The County reserves the right to terminate the contract with a minimum of thirty (30) days written notification if the successful proposer does not perform in accordance with the terms, conditions and quality as outlined in these specifications.

4. Documents. Complete sets of Documents must be used when submitting proposals. The County does not assume any responsibility for errors or misinterpretations resulting from the use of incomplete sets of documents. The proposer must sign and submit with its proposal the six certifications contained in Attachment 1.

5. Award of Contract. An award will be made as determined to be in the best interests of Oneida County. Any award must be approved by the Oneida County Legislature and will have no effect absent such approval. This RFP may be cancelled and any proposal may be rejected in whole or in part. Unsuccessful proposers may request an explanation of the reasons why an award was not made to them. The County anticipates awarding this contract in February 2025 to allow for a transitional period/continuity of services.

No successful proposer to whom a contract is awarded shall assign, transfer, convey, sublet or otherwise dispose of same, or of its right, title and interest therein, including the performance of the contract or the right to receive monies due or to become due, or of its power to execute the contract or purchase order without the prior written consent of Oneida County.
